Faith Statement

Her Revival Moment™ is founded on biblical principles that affirm God as the ultimate source of wisdom, healing, and transformation.

We believe that true revival begins within — when women return to God’s original design for their lives, rediscover their divine identity, and walk boldly in their Kingdom purpose.

Every lesson, session, and conversation within this program is rooted in prayer, guided by Scripture, and anchored in faith.

We don’t just teach restoration — we live it, we model it, and we invite every woman to experience it through the power of God’s Word.

Dear Sister in Purpose,

Welcome to Her Revival Moment — where restoration meets revelation. This movement was created to help women rise from the ashes of limitation, rediscover their voice, and rebuild their lives from the inside out. Whether you've joined to heal, to grow, or to lead, know that this is your sacred space to become everything God has called you to be.

Here, you'll be mentored, challenged, and empowered to take intentional steps toward wholeness. Every lesson, every program, and every connection is designed to strengthen your faith, sharpen your mindset, and remind you that your story still holds power.

So breathe deep, take your place, and prepare for transformation — because your revival starts now.

With purpose and grace,

Alicia Sylve

Founder, Her Revival Moment

About Her Revival Moment

Her Revival Moment is a movement designed to restore women to their divine identity and purpose through faith-based empowerment, mentorship, and community. It exists as both a spiritual sanctuary and a leadership incubator — a place where women can reconnect with who they are, rebuild what was broken, and release what no longer serves their growth.

Mission: To guide women toward inner renewal and outward impact by combining faith, mentorship, and transformative learning experiences.

Vision: To cultivate a global community of women who lead, serve, and thrive — rooted in faith, walking in purpose, and creating change wherever they go.

PROGRAMS OVERVIEW

Program Overview

The Bloom Initiative is a mentorship experience designed to help women rediscover and uncover the version of themselves they've lost, hidden, or outgrown. Through faith, intentional growth, and authentic community, The Bloom Initiative teaches women how to nurture the woman they see themselves becoming — rooted in grace, watered by truth, and strengthened through sisterhood.

This program serves as both a mirror and a model, guiding participants toward restoration, clarity, and confidence while empowering them to bloom where they've been planted.
