Pinson TN 38366

January 2024

Greetings Community Friend!

This year is the 50<sup>th</sup> anniversary of the establishment of Pinson Mounds State Archeological Park. As the 501(c)(3) organization created to support the park's mission and vision, Friends of Pinson Mounds is excited to help the park acknowledge this anniversary, as well as continue to promote, preserve, and protect this sacred site's 2,000+ year history and archeological resources.

We would like to invite you to participate with us in supporting the park this anniversary year. We have a major event and a major project that need community support to complete. Of course, we also have many annual activities, events, and volunteer dates with which we welcome your support and participation. Here are some ways you can be involved:

- **SYMPHONY ON THE MOVE** – The Jackson Symphony would like to include Pinson Mounds on its June tour for free ensemble concerts across the region. In order to be included on the schedule, the Symphony needs sponsorships totaling \$2500 to pay its musicians. If your company would like to assist with sponsoring this performance at Pinson Mounds, please indicate your selection on the accompanying page.
- **3D MAP OF PINSON MOUNDS** – In support of Tennessee State Parks' emphasis on ACCESS 2030 to make all State parks more accessible to visitors by 2030, Friends of Pinson Mounds is working toward the development of an interactive 3D map of the park to install in the park museum. This 3D interactive map would use the latest LIDAR mapping (completed January 2024) to highlight the featured archeological resources of the park, park trails, and provide educational information. Included with this invitation is a flyer outlining the plans for this project. Estimated totals for the 3D interactive map are \$25,000. If your company would like to assist with sponsoring this project, please indicate your selection on the accompanying page.

If you would like to participate in a more general way than the above options, we welcome your participation and will acknowledge your company's donation online as well as at the Friends of Pinson Mounds bulletin board in the park museum.

Thank you for your time and consideration!
