The image shows two closed, rectangular leather card holders resting on a light-colored wooden surface with a visible grain. The holder on the left is a rich brown color, while the one on the right is black. Both have a pronounced crocodile or alligator skin texture. The brown holder has visible stitching along its edges. The black holder features a small, silver-toned metal logo in the bottom right corner, which appears to be a stylized 'V' or a similar emblem. The lighting is soft and directional, coming from the upper left, which creates gentle shadows and highlights the texture of the leather and the wood.
