Düsseldorf

With over two decades of expertise in crafting luxury furniture, ML stands as a symbol of timeless elegance and superior craftsmanship.

Specializing in premium natural leather renowned for its rich tanning heritage. Our handmade pieces blend tradition with contemporary design. Each creation is a testament to detail, durability, and refined taste, made for those who value authenticity and lasting beauty.

ML is a leading brand in the design and production of luxury furniture and accessories, renowned for its mastery in premium natural leather.

By combining traditional craftsmanship with advanced tanning technologies, we ensure that every piece begins with uncompromising quality, crafted entirely from concept to completion in our own factory.

Our collections embody the perfect balance between contemporary design and timeless craftsmanship, using authentic materials that elevate any interior.

From statement furniture to refined leather accessories, every creation reflects a deep understanding of modern lifestyles, international standards, and enduring elegance.

ML is the preferred choice of professionals and discerning clients who value character, quality, and lasting sophistication in every detail.

LEATHER SOFA

Natural Leather Furniture Production | **ML** Company

At **ML** Company, our natural leather furniture division is founded on a deep commitment to exceptional quality, durability, and adherence to the highest industry standards. We maintain rigorous oversight throughout every stage of production from selecting raw hides to final stitching and quality control, ensuring that each piece meets the utmost craftsmanship and quality benchmarks.

All leather used in our furniture is 100% natural and processed using the most advanced modern technologies; this guarantees not only unparalleled quality but also complete customer satisfaction and peace of mind. Our designs blend comfort, elegance, and beauty, perfectly suited to modern lifestyles while remaining true to the authentic values of fine furniture craftsmanship.

ML Company — the trusted choice for those who value authenticity, quality, and distinction.

Precision Tufting at ML Company

At ML Company, tufting is more than just a decorative detail — it is a true reflection of our dedication to precision, craftsmanship, and timeless elegance. Every tuft is placed with millimeter-level accuracy to create perfectly aligned, symmetrical patterns that enhance the luxurious appeal of our leather furniture.

The entire tufting process is performed by skilled artisans using 100% natural leather processed with the highest quality standards. From the careful placement of each button or nailhead to the exact tensioning and secure fixing of the leather, every step is carried out with meticulous attention to detail.
