

AIS Taskforce Agenda
Wednesday, January 24, 2024 from 6pm – 7pm
Dethlefs, Spicer

MISSION STATEMENT – It is the mission of the Kandiyohi County Aquatic Invasive Species (AIS) Taskforce to develop programs and strategies to prevent the introduction or limit the spread of AIS in Kandiyohi County waters. In order to accomplish this, the AIS Taskforce will promote prevention, treatment, containment, enforcement, and education, as well as provide updates and recommendations to the Kandiyohi County Board of Commissioners.
