

DOMINE

FOR THE LOVE OF PINK FLOYD

DOMINE – A Pink Floyd Immersive Experience
For the Love of Pink Floyd.

A celebration of the life, music, and legacy of Pink Floyd—honoring not only the band's iconic catalog but also the artistry of their solo projects. Nashville's premier musicians come together to bring all things Pink Floyd to the stage with unmatched authenticity and passion.

The name Domine is inspired by Astronomy Domine, the opening track from Pink Floyd's groundbreaking 1967 debut album *The Piper at the Gates of Dawn*.

Domine is a fully immersive concert experience that goes far beyond a tribute band. Audiences are taken on a journey through the soundscapes of Pink Floyd with:

A one-of-a-kind light and visual show

Authentic, detailed recreations of Pink Floyd's legendary music

A powerful live performance that captures the essence and spirit of the band

Conceived by Mark Allee in the heart of "Music City" Nashville, Tennessee, Domine unites some of Nashville's most respected musicians and vocalists. Each performer brings both mastery and deep personal influence from Pink Floyd's work, creating a production that is true to the legacy yet fresh and electrifying for modern audiences.

This is not just another tribute show—it's an immersive concert event designed for theaters, festivals, and premier venues that want to deliver a transformative Pink Floyd experience.

Domine is guaranteed to leave audiences not only satisfied but hungry for more—a true love letter to Pink Floyd, from musicians who live and breathe the music.
