Each such assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2: Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the properties.

Section 3: Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first lot to an owner, the maximum annual assessment shall be \$600.00 per lot.

(c) Provisions relating to exterior maintenance and assessments therefore are set forth and contained in Article VII hereof.

(d) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4: Costs and Charges for Utilities. All costs and charges for domestic water and sanitary sewer services supplied to each owner by the City of Evanston, Wyoming, and any other utility service, including but not limited to natural gas, electricity, telephone, and cable TV, shall be billed directly to each owner and paid by each owner directly to the said City of Evanston, or utility company.

Section 5: Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than thirty (30) days not more than sixty (60) days in advance of the meeting. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6: Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all lots and may be collected on a monthly basis, except as hereinafter provided in Article VII.

Section 8: Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of twelve percent (12%) per annum. The Association may bring an action at law against the owner personally obligated to pay the same, or foreclose the lien against the property. No owner may waive or otherwise escape liability for the assessments provided for herein by abandonment of his lot.

Section 9: Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments, which became due prior to such sale or transfer. No sale or

transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10: Association Easements for Maintenance and Repair. The Association shall have an easement across every lot within the tract set forth hereinabove for the limited purposes of maintaining, repairing, painting or otherwise maintaining the exterior walls and roofs of the living units (excepting the window panes and window screens), for watering, planting, cutting, removing and otherwise caring for the landscaping up to the exterior walls of the living units on each lot; for cleaning, repairing, replacing, and otherwise maintaining or causing to be maintained service in underground utility lines owned by the owners of various lots and for entry into an improvement constructed upon a lot for admittance of such authorized persons as are reasonably necessary in the event of an emergency.

Wherever sanitary sewer house connections or water house connections or electricity, gas, or telephone, television lines or drainage facilities, as may become necessary, are installed within the properties, which connections, lines or facilities, or any portion thereof, lie in or upon lots owned by other than the owner of a lot served by said connections, lines or facilities shall have the right, and are hereby granted an easement to the full extent necessary therefore, to enter upon the lots or to have utility companies enter upon the lots within the properties in or upon which said connections, lines or facilities or any portion thereof, lie, to repair, replace and generally maintain said connections as and when the same may be necessary as set forth below. Wherever sanitary sewer house connections and/or water house connections or electricity, gas or telephone lines or drainage facilities are installed within the properties, which connections serve more than one lot, the owner of each lot served by said connections shall be entitled to the full use and enjoyment of such portions of said connections as service his lot.

Section 11: Insurance. The Association, for the benefit of the properties and the owners thereof, shall also acquire and shall pay for out of the proceeds of assessments secured pursuant to Article IV, a policy or policies of insurance for liability to the public or to the owners or their invitees or tenants, including the personal liability exposure of the board and of all owners with respect to the common area. The limits of liability pursuant to such policy shall be not less than \$100,000.00 for injury to any one person, \$300,000.00 for any one accident, and \$25,000.00 for property damage. The Association shall have no obligation to secure insurance on the personal property of owners. In addition, the Association shall maintain a casualty insurance policy or policies covering the exteriors of the buildings with such deductibles as are determined from time to time by the Association.

Section 12: Exempt Property. All properties dedicated to, and accepted by, a local public authority and all properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of Wyoming shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

Section 13: Association Maintenance. The Association shall be responsible for maintenance of the common areas and the exterior of the residential units into and including the drywall. **THE ASSOCIATION SHALL NOT BE RESPONSIBLE FOR, AND IT SHALL BE THE RESPONSIBILITY OF THE OWNERS TO MAINTAIN MECHANICAL SYSTEMS INCLUDING BUT NOT LIMITED TO HEATING, PLUMBING, ELECTRICAL SYSTEMS AND FIXTURES TOGETHER WITH EXTERIOR AND INTERIOR DOORS AND WINDOWS, INTERIOR WALL COVERINGS, FIXTURES, AND APPLIANCES. IN ADDITION, IN THE EVENT OF ANY LOSS BY CASUALTY, THE OWNER SHALL BE RESPONSIBLE FOR ANY DEDUCTIBLE OR UNCOVERED LOSS WHETHER INTERIOR OR EXTERIOR AND IN THE CASE OF MULTIPLE UNIT CASUALTY, SUCH AMOUNTS SHALL BE SHARED PRO RATA.**

ARTICLE V **Use Restrictions**

Section 1: Nothing shall be done or kept on any lot, which will increase the rate of insurance on such lot or on any of the properties without the approval of the Association.

No owner shall permit anything to be done or kept on any lot which will result in the cancellation of insurance on any common area or which would be in violation of any law.

ARTICLE VI

Architectural Control Committee

Section 8: Variances. The Architectural Control Committee may grant reasonable variances or adjustments from any conditions and restrictions imposed by this Article or Article VII hereof in order to overcome practical difficulties and prevent unnecessary hardships arising by reason of the application of the restrictions contained in this Article or Article VII hereof. Party Walls

Section 1: General Rules of Law to Apply. Each wall built as a part of the original construction of the homes upon the properties and placed on the dividing line between the lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Failure by the Association or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2: Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no wise affect any other provisions which shall remain in full force and effect.

Section 3: Amendment. The covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years.
