

HDSCO-60K

Gas Convection Oven

Features

- ETL Safety and ETL Sanitation certification approved.
- Key components has CSA/UL certificate.
- Italy brand FIR motor.
- American brand Resideo control valve.
- Temperature range is 150F~500F.
- Long legs can be removed when packing to reduce transportation cost.

HDSCO-60K

Overall Size(W*D*H): 38.11" x41.65" x56.46"

Chamber Size(W*D*H):29" x21.5" x20"

Rack Size(W*D):28"x20.6"

Power: 60,000 BTU/H

Burner qty: 4

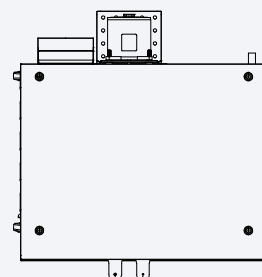

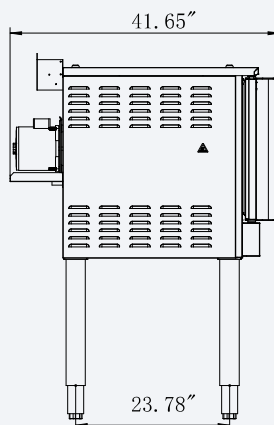

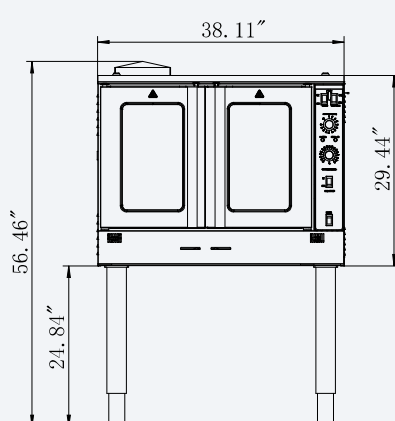

Voltage:230V/50HZ/1PH

Motor Speed: 1710(H)/1120(L)

NW:507LBS

GW:569LBS

Gas consumption(m3/h):NG: 1.578/LPG:0.68

* All above parameters for reference only,take practicality as standard.
