

Count the Fruit Syllables

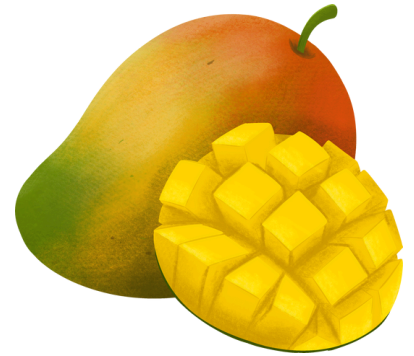

Young learners will explore colours, counting, and syllables with this delightful fruit-themed worksheet. As they color each fruit, they'll say its name aloud to identify the number of syllables, then record their answer in the bubbles below. Designed for preschoolers and kindergarteners, this engaging activity supports early math, grammar, phonics, and fine motor development.

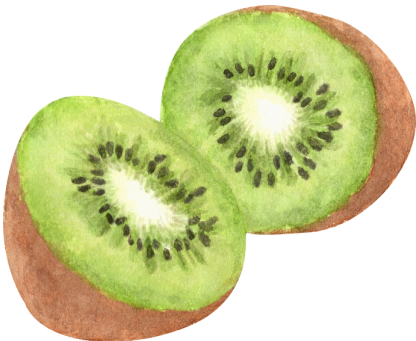

Strawberry

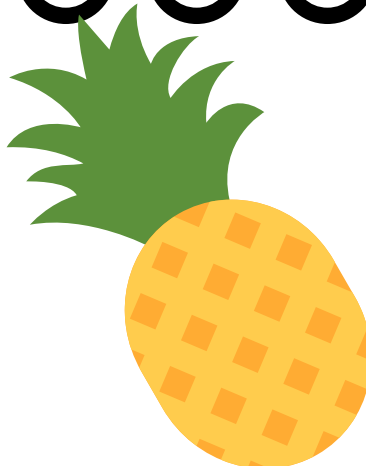

Banana

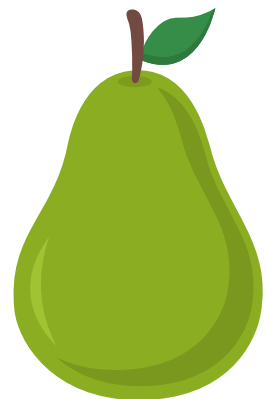

Mango

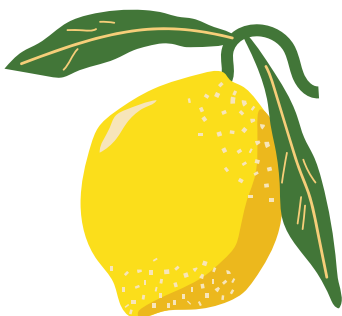

Kiwifruit

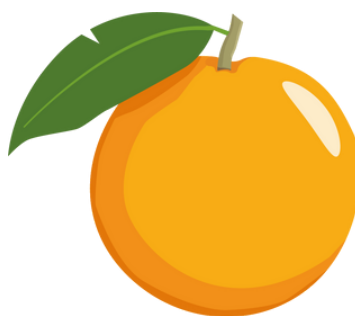

Pineapple

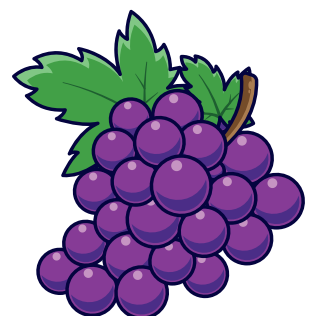

Pear

Lemon

Orange

Grape
