

# Bandoleros 60 FT

Price from: 1300 usd

15: Guests included

Departure: Cancun

Imagine stepping onto Bandoleros, a 60 ft Sea Ray where every detail whispers luxury. The moment your feet touch the deck, the Caribbean opens around you turquoise, endless, yours.

You walk toward the wide sunsoaked bow, where the breeze is warm and the view feels cinematic. This is where your group will laugh, tan, celebrate, and watch the kind of sunset people talk about for years.

Inside, the yacht feels like a private retreat at sea: two elegant staterooms, two full bathrooms, and a lounge wrapped in soft lighting and modern design. The music flows through a JBL surround system, turning every moment into the perfect scene.

Meanwhile, in the gourmet kitchen, your chef prepares something unforgettable, filling the cabin with the aroma of fresh, refined flavors.

Bandoleros is more than a yacht. its the stage for your luxury escape.
