International Mining & Construction Machinery EXPO

Industry: Mining, Construction, Equipment Manufacturer, Machine Rental, Spare Parts & Contractors

ICONIQ is a leading company in India that specializes in organizing exhibitions for the mining, construction, infrastructure, and real estate industries. With a team of experienced professionals and a strong network of industry partners, we strive to create impactful and successful exhibitions that bring together industry leaders, professionals, and stakeholders. Our exhibitions provide a platform for businesses to showcase their products, services, and innovations, connect with potential customers, and explore new business opportunities. We are committed to driving growth, fostering collaboration, and shaping the future of these industries. We are organising an International Mining & Construction Expo at Raipur Chhattisgarh India for the Second time. You are cordially invited to participate in the exhibition in April 2026. Venue Dr. Shyama Prasad Mukherjee, International Convention Center, Naya Raipur, Chhattisgarh, India, 492101.
