EXPERIENCE

Pfun camp, Pflugerville — Camp Counselor & lead counselor

MAY 2023 - DECEMBER 2023

Working with others and focusing on bringing entertainment, I worked as a camp counselor through harsh conditions. With a tight schedule with fun activities I had to keep up with those significantly younger than me, and reach the youthful kids.

Sonic, Stevensville, TX — Chef

MAY 2025 - August 2025

Tightly packed kitchens and harsh work conditions, I worked through it with a proud smile as I maintained a solid routine and flexible work ethic to withstand small and large orders all throughout the day.

School photographer, Stevensville, TX — internship

AUGUST 2025 - PRESENT

Tightly packed kitchens and harsh work conditions, I worked through it with a proud smile as I maintained a solid routine and flexible work ethic to withstand small and large orders all throughout the day.

EDUCATION

Hendrickson Highschool, Pflugerville — Highschool diploma

AUGUST 2016 - MAY 2020

Tarleton State University , — student

AUGUST 2020 - CURRENT

PROJECTS

Managen — game Development team, Lead 3d artist

A small scale survival horror game being developed by an un-named game development studio, we're working on development of the product slowly and steadily. I handle the production of most 3d models and enviromental design.
