# ABOUT US

At Villo, we create beautifully handcrafted bathware and more. By using natural materials, we bring elegance and comfort into every space. Our designs are unique and luxury with attention for detail, turning everyday routines into moments of relaxation.

For over five years, our skilled craftsman in Yogyakarta, have been crafting baths, basins, and accessories by hand, focusing on quality and precision. We carefully select reclaimed crushed marble and onyx, ensuring each piece is not only stunning but also durable and sustainable.

Whether you're looking for a statement bath or a perfectly matched set, our collection is designed to transform your space into a sanctuary of comfort and style. Explore our catalogue and get inspired!

A true local company with international designs & quality!

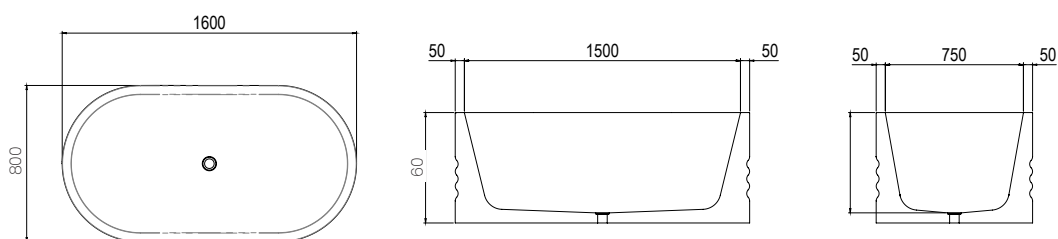

The background of the page is filled with several line drawings of different bathtub styles. At the top, there are partial views of two tubs. Below them, on the left, is a deep, oval-shaped tub. In the upper center is a rectangular tub with three horizontal bands. To its left is a shallow, wide, oval tub. On the right side is a deep, rectangular tub. Below the central rectangular tub is a shallow, wide, oval tub. At the bottom left is a deep, rectangular tub, and at the bottom right is a shallow, wide, oval tub. The word "BATHTUBS" is centered in the middle of the page.
