Our commitment to innovation, quality, and customer satisfaction has firmly established us as a trusted brand nationwide. The ATLANTIS range of products are manufactured in our ISO 9001:2015 certified facility meeting international quality standards, and carry the CE & CB marks of safety.

Install an ATLANTIS hot beverage dispenser and start enjoying your favourite hot drinks, **Instantly!**

# YOUR CUP OF CHOICE

**ATLANTIS<sup>®</sup>**  
SPECIAL SELECT

QUALITY  
VENDING SOLUTIONS

The versatile new Atlantis Select offers a hassle-free way to savor your favorite beverages like black coffee, cappuccino (regular & no added sugar options), café latte, hot milk (regular & no added sugar options), and premix tea at your workplace—with just a touch of a button! There's no need to add milk or monitor the process; all you need is dairy whitener, making it incredibly convenient. Its special mixing features and program settings delivers taste like coffee made with fresh milk and beans, using dairy whitener and instant coffee.

## FEATURES OF THE MACHINE

-  New trendy design with feather touch buttons for dispensing.
