OPPORTUNITY FOR 20% COMMISSION OF (1) MASTRO-DISTRO SALE

WELCOME ABOARD to potentially making commission money with Robert Love...

The simplicity of this is as follows: If you refer a business or an individual to purchase my Mastro-Distro with Zelle you will receive 20% of my profit as commission (up to \$1,000).

The items that apply to this commission referral opportunity are my Mastro-Distro sales only.

Theoretically you could make this into a primary source of income but I am not advertising this as a job or form of employment opportunity so **be wise and research before jumping to any conclusion!**
