

Wellness & Beauty

PRODUCT CATALOGUE

Our promise in ever-changing world of defining beauty and re-discovering overall wellness, Leeford defies the limits to stand out in this competitive environment. We believe in the importance of self-care, reflection and calmness. We offer best products that are efficacious and safe for use. We take the time to nurture and nourish knowing that our friendly and expert products are here to listen to your concerns and will work with you to enhance your beauty and wellness.

What makes Leeford unique?

Purity of Nature with the Power of Science

Our world-class formulators balance natural extracts, scientific ingredients and plant stem therapy with peptide technologies, providing results you can see and feel.

Rigorous Tests

We rigorously test on real Indian skin to assure both safety and efficacy of our products. All our products are Made in India with quality active ingredients sourced globally.

Products that make Sense

All our products have one thing in common they work on skin, hair & body with a holistic approach of improving lifestyle and to give boost to your natural beauty.

Truly Affordable Wellness

Our personal care and OTC line is truly affordable, we provide the finest products at an incredible value and multiple mechanism of action to keep you healthy.

WE INVITE YOU TO EXPERIENCE OUR PROMISE OF BEAUTY & WELLNESS IN THE PAGES AHEAD.
