Our Story

The commencements of the company reach back to year 1984 by the owner Mr. Girish Dabir qualified as a certified Prosthetist and Orthotist with a motto to improve the mobility of people with disabilities through innovative products with an entire manufacturing unit.

In year 1995 with intervention of wife Mrs. Anita Dabir (Co-founder) who specialized to interact with "Deaf & Dumb" and believed that art of caring is directly correlated to science of healing tried to render improvised rehabilitation services to the often neglected people of the society.

Since then, the company has a progressive history of working in this noble field with a human touch.

Presently Mr Saurabh Dabir and Mrs Sohini Pal Dabir qualified as Bachelor and Master in Prosthetics and Orthotics respectively following their parent's foot prints have taken in-charge over the patient care & public relation management of the company and flourishing the clinic to a specialized unit. With their further hopes for successful company policy and the courage to launch into new things, are into expansion to build up a future-oriented group of relationship with various leading companies.

Our Mission

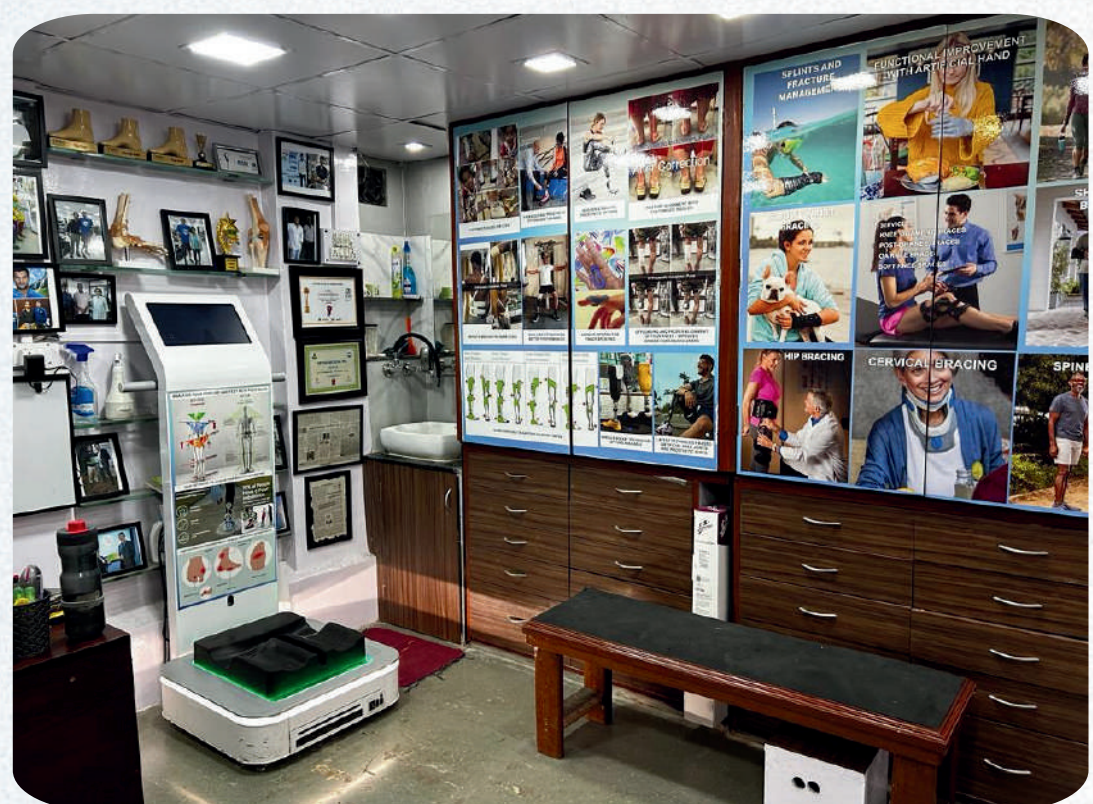

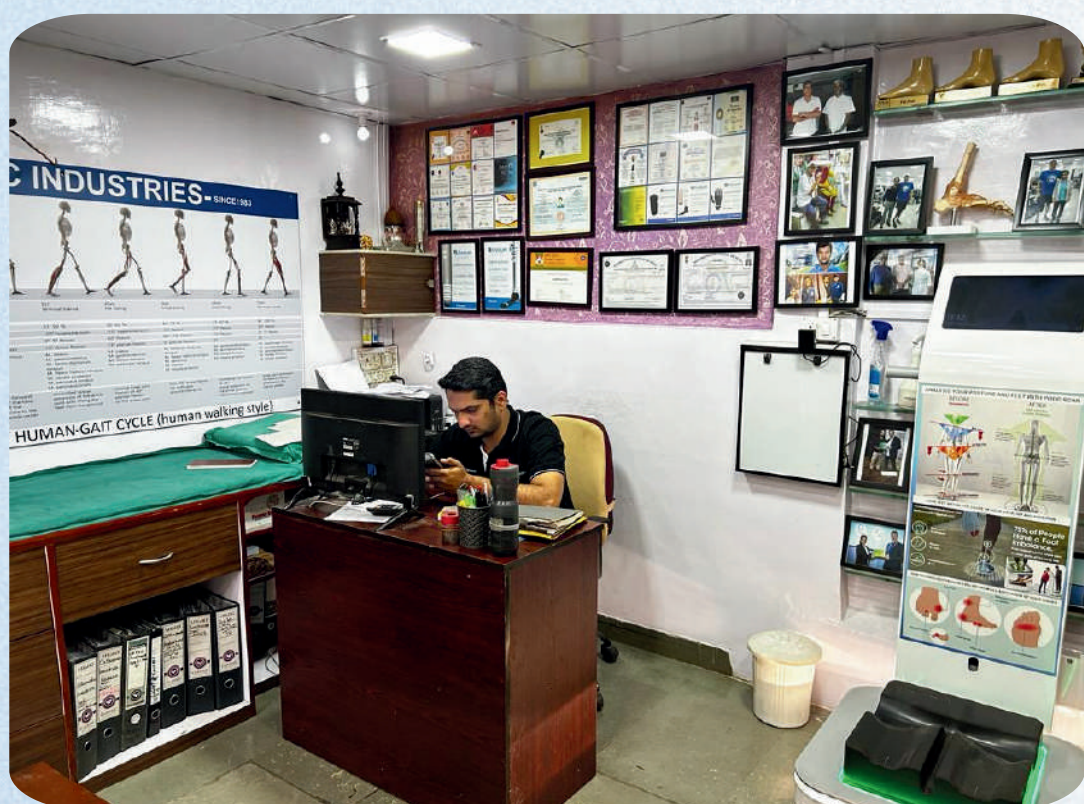

Is to lead the way to a healthier future and to be the partner of choice for Patient care services and products that enhance human physical capabilities to build up their self-confidence to help them live with pride.

What we do

Orthopaedic industry is a state of the art Prosthetic & Orthotic Clinic with a full-fledged manufacturing unit committed to provide quality approved artificial limbs, supportive devices, mobility solution & medical care to people with disabilities to experience the change in their life with a new vision for happiness.

The company is ideally positioned & capable of offering its customers a virtually unprecedented wide range of products and extensive services.

At Orthopaedic Industry, we strive to bring assistance for healthy lifestyle and to accept challenges to be innovative in our approach for the betterment of the society. We fully understand what a patient needs and therefore cater to their rehabilitation so that they can walk out of our doors with confidence & satisfaction.

Our Team

DR. GIRISH MADHAV DABIR (OWNER)

Dr. Girish Dabir is a highly qualified Prosthetist and Orthotist who has more than 35 years of experience in developing new product franchises with the healthcare industry, he helped lead the shift to medical equipment sales and later to consumer-driven healthcare as Director of Orthopaedic Industries, Pune. He has extensive experience in sales, marketing, and business development in India & International Market.

MRS. ANITA GIRISH DABIR (CO-FOUNDER)

Mrs. Anita Dabir, qualified in MA Commerce and specialized to interact with "Deaf and Dumb". Being a kind individual and a person of absolute integrity, her path-breaking medical service and generosity have helped Orthopaedic Industries earn excellent goodwill in society.

DR. SAURABH DABIR (Clinical Prosthetist and Orthotist)

Dr. Saurabh Dabir joined Orthopaedic Industries in 2013 after completing his Bachelor's degree in prosthetics and orthotics. He keeps himself upgraded to provide the state-of-art services by certifying into Scott Socketology (USA), Iceross Socketology, Saddle casting, unity technology, Microprocess system - Like Rheo knee XC, Touch bionic- I Limb Quantum and so on. He has also developed a special interest in Lower Limb Prosthetics and Upper Limb Splinting.

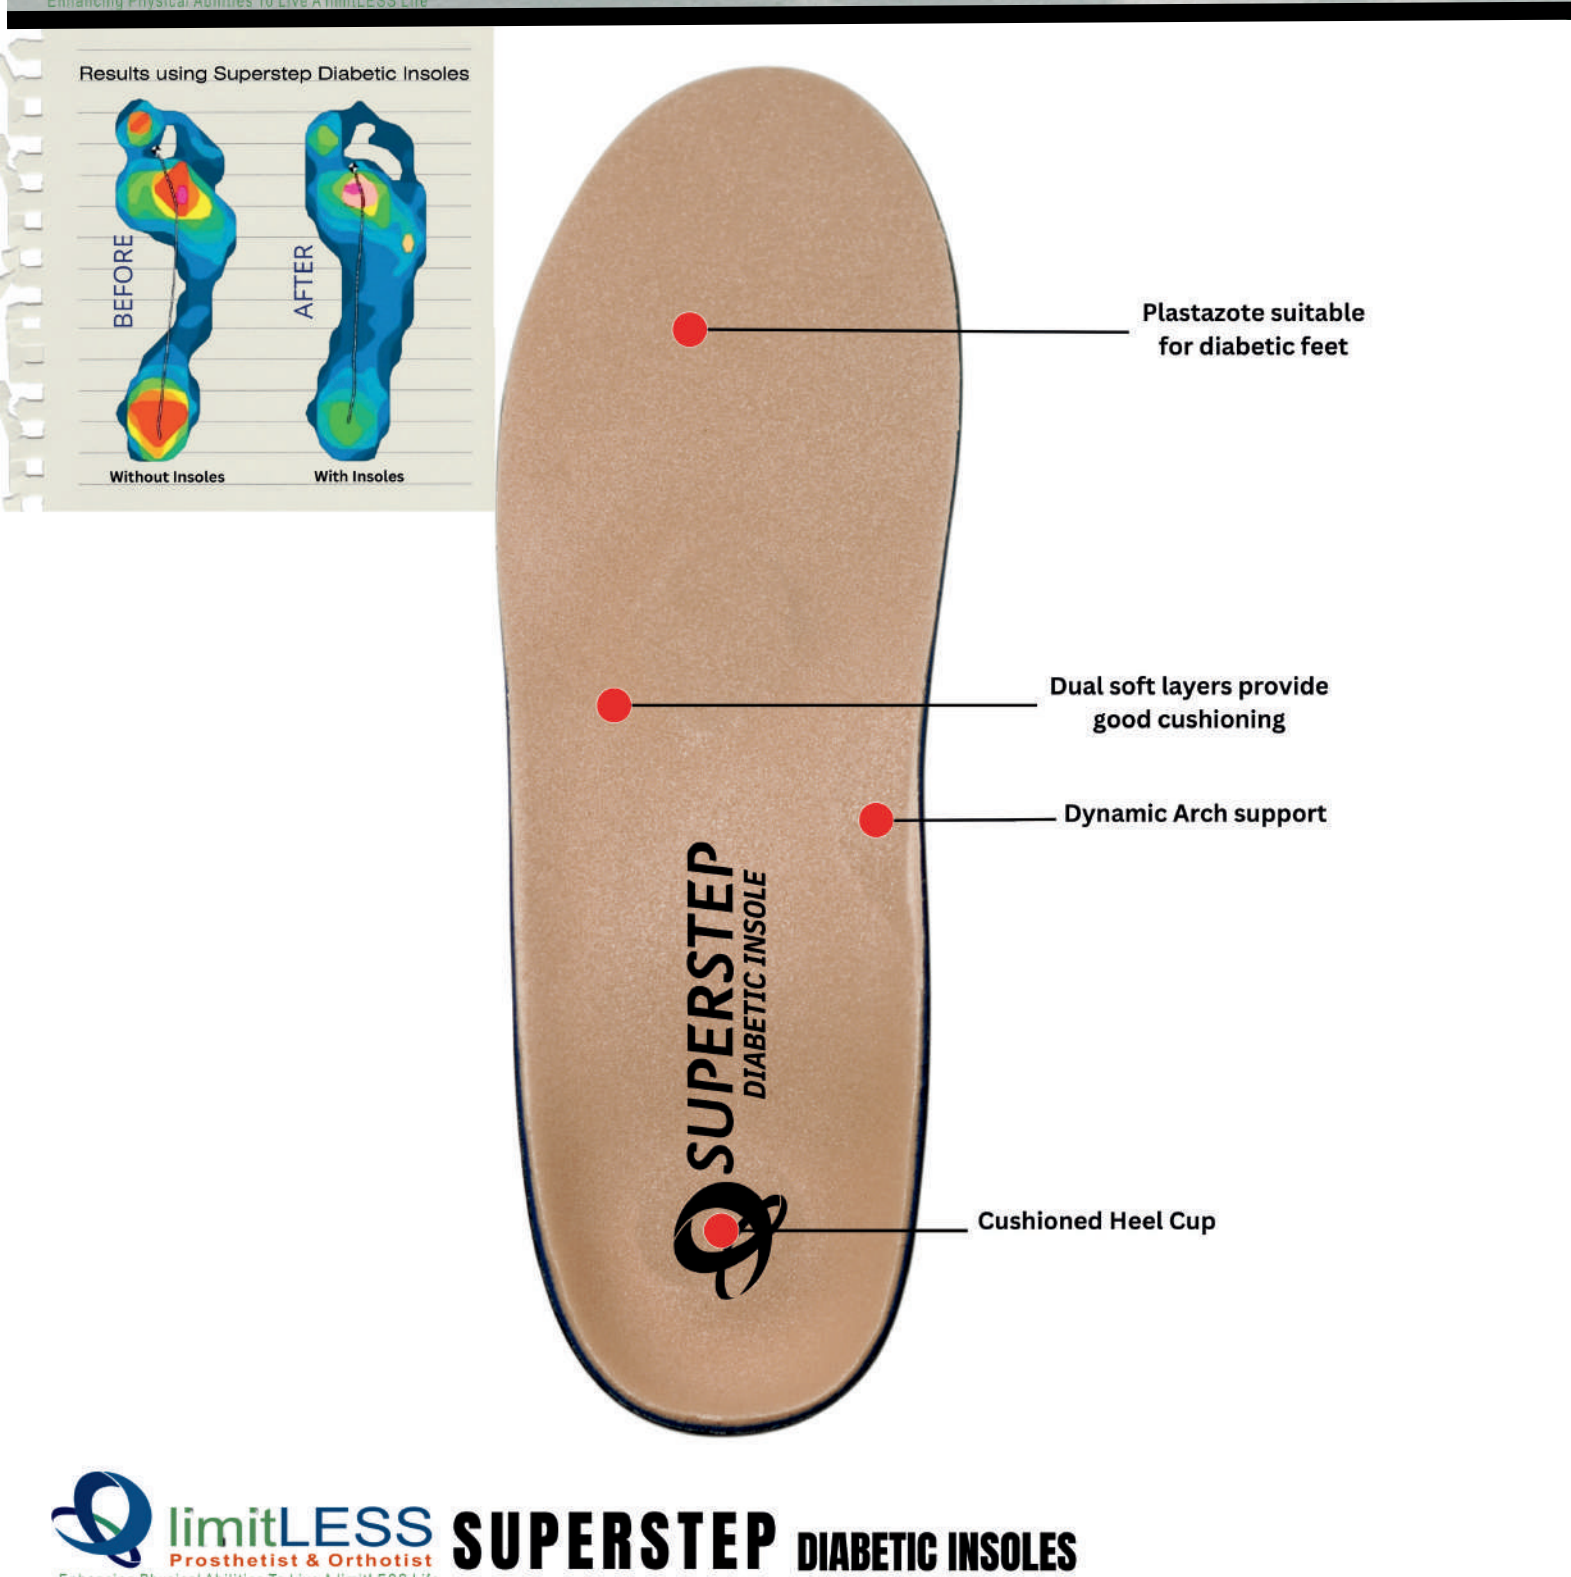

DR. SOHINI PAL DABIR (Clinical Prosthetist and Orthotist)

Dr. Sohini Dabir joined Orthopaedic Industries since 2016 after completing her post-graduation as a gold medalist in Masters in Prosthetics and Orthotics, New Delhi. She gained broad knowledge and experience by certifying herself in Wheelchair skills and Cosmetic Restoration course, further certifying into Scott Socketology (USA), Iceross Socketology, Saddle casting, unity technology, Microprocess system - Like Rheo knee XC, Touch bionic- I Limb Quantum (Ossur Academy) and even as foot Balance Medical Expert. She is also actively engaged in Lectureship at various colleges.
