

COMPANY PROFILE

**PT ECO NUSANTARA
PLASTINDO**

*Trusted distributor of high-quality
industrial wood & Plant Rental House*

PT ECO NUSANTARA PLASTINDO

About Company

PT Eco Nusantara Plastindo is a distributor of premium industrial wood and plant rental house products in Indonesia, dedicated to serving a wide range of sectors including construction, furniture manufacturing, interior design, packaging, and industrial production. Established in 2022, our company has built a strong reputation for quality, reliability, and integrity, delivering wood solutions that enable our clients to achieve their business goals with confidence.

Our Vision

To be the preferred partner for industrial wood solutions, delivering excellence with every shipment and empowering industries to build with confidence.

Our Mission

- Provide superior wood & plant materials that meet and exceed international quality standards.
- Foster long-term collaborations with clients based on trust, transparency, and performance.
- Uphold responsible sourcing practices that protect forests and support local communities.
- Continuously improve our logistics, service, and product offerings through innovation.
