welcome

If you've found your way here, then I would guess you are in the process of planning a wedding and looking for someone to help capture your big day—whether actually big or a smaller celebration. I'm so glad you want to know a bit more about how I can help capture your day!

I'm a Canberra-based wedding photographer who loves nothing more than to help you enjoy your day. I like to think I'm down to earth, organized, and just a bit of fun to have around. I can't wait to hear all about what you have planned for your day and how I can help.

So have a bit of a read, and get in touch if you want to catch up or want to get more info on how we can start planning your day!

im catherine

I'm a Kiwi who has found my way to Canberra. I'm a coffee drinker and a book lover. But most importantly, I'm a wedding photographer!

Photography has been a big part of my life for the last 15 years—which feels like I'm aging myself a lot!

I love taking photos that feel like you. I know it's not always the easiest thing, especially when you've never had professional photos done before. I use direction to help you know where to stand and what to do with your hands, while also giving you prompts to get you moving and laughing during photos. The result is photos that look and feel like you, without too much of that awkwardness.

A FEW OF MY FAVORITE THINGS

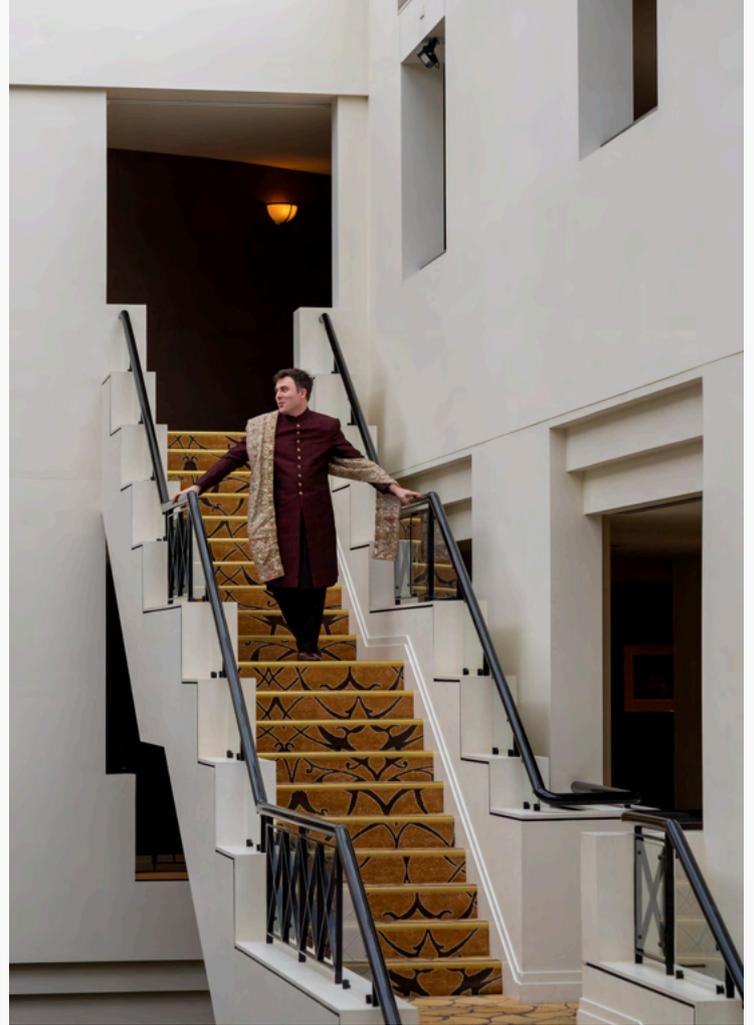

full day packages

This is your traditional wedding day coverage, designed to capture the majority of your day. These packages start with the planning stage - help going over timelines, locations, and all the other details that will make the photos on your day run smoothly.

They include things like engagement sessions and print boxes—little touches to make the whole experience a bit more fun.

If you're looking for getting ready photos in the morning or dance floor photos into the evening, then these packages are for you!

questions

TO ASK YOURSELF

There's no wrong answer to any of these, but it's a great idea to think about them before we talk, so we know what you're after and what your day will look like.

- Do you want photos of you and/or your partner getting ready? Think detail photos, getting into your dress or suit, and hanging out with your bridal party. This is where first looks with the bridal party or parents happen, as well as moments like your mum helping you into your dress or your dad adjusting your suit.
- Do you want to see your partner before the ceremony? Having a first look changes how the timeline for the day works. It's a great one to think about before we catch up, so we can talk about the timeline and how much coverage you'll need.
- Do you want photos in locations away from your ceremony/reception spot? This is something we can absolutely do; we just need to think about the type of locations you want, as well as travel time, parking, and how busy it will be on a given day.
- How much reception coverage do you want? Just the first dance and speeches? Or the dance floor as well?

got questions?

HOW DO WE LOCK IN OUR DATE?

When you're ready to lock in your date, just send me an email!

I will email you back a quote that has all your package details, including any extras we talked about. You just accept the quote, sign your contract, and pay the deposit, all done online.

HOW AND WHEN DO WE PAY?

Payments can be made by card or bank deposit.

Your non-refundable deposit is \$500; this is paid to secure your date. What's left of your total package cost is split into two payments, due 10 and 6 weeks before your wedding. If we need to adjust the payments, just let me know.

DO WE GET A SNEAK PEEK?

Yes! All packages get a sneak peek of at least 50 images within 48 hours.

Sometimes it might be delayed, especially if I'm traveling for your day, but I'll let you know if that's the case.

WHEN DO WE GET OUR FULL GALLERY

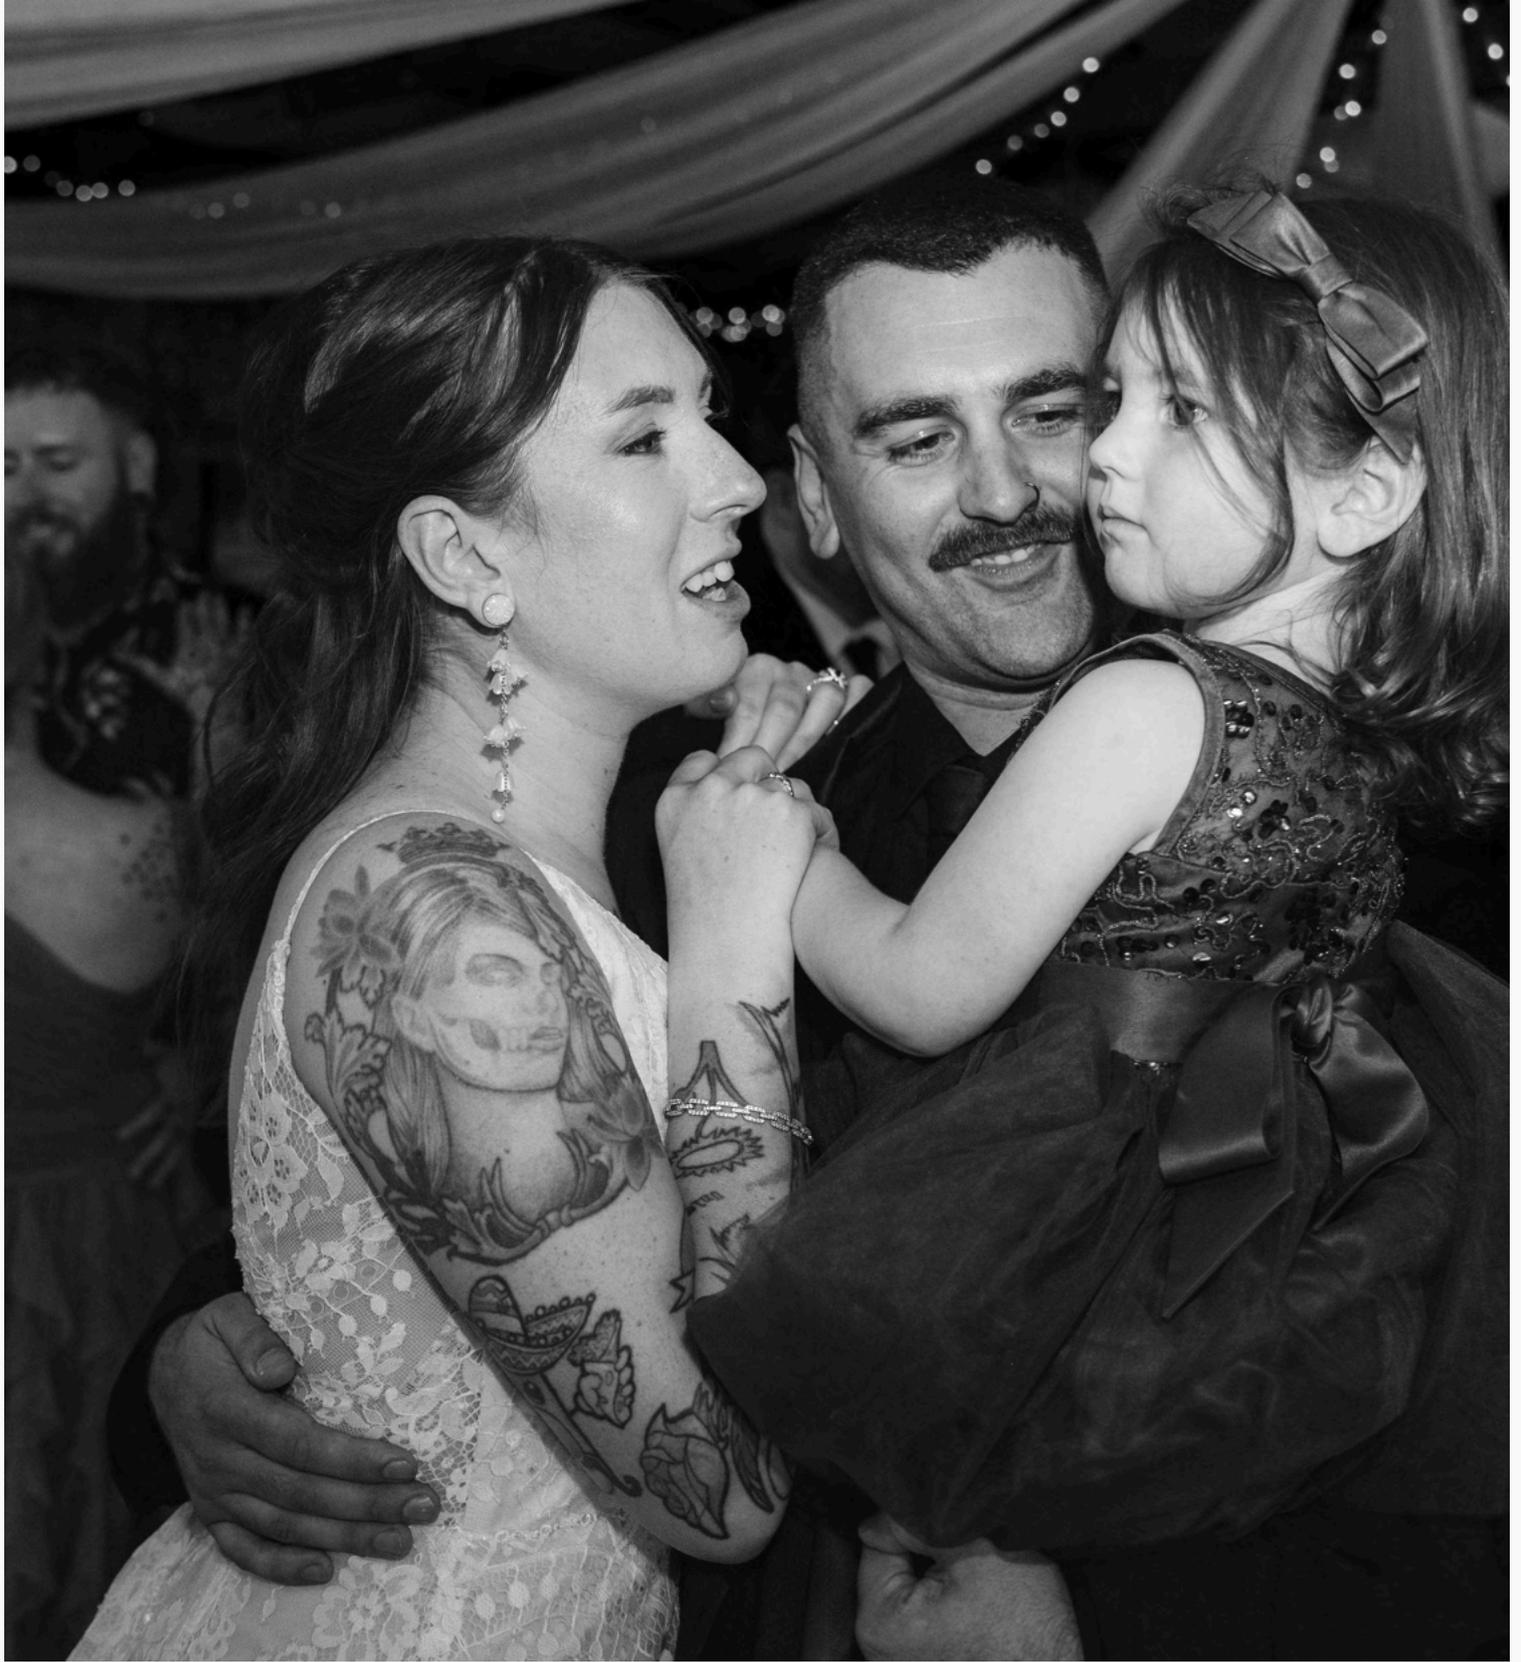

I aim to deliver all your photos within 6-8 weeks; sometimes it can take a bit longer. You can email for an update at any point in time.

WE THINK YOU MIGHT BE A BIT FANCY FOR US...

That's not a question - but I promise you I'm not. I love a good shoe as much as a champagne tower. I'll be on the dance floor to 'I Wanna Dance with Somebody' and enjoying myself as much as you. I'm not as fancy as I look, I promise.
