

## **Scholarship Agreement: Statement of Faith, Identity, Mission, and Duties**

The Global Leadership Empowerment Forum 2024 is intended to equip the UBF next generation as Messenger Trainers and Disciple-Makers with vision and professionalism who can become Christian leaders influential across society. **I. Basic Faith:**

We believe that the Holy Bible is the inspired Word of God. According to its revelation, we acknowledge that Jesus is Christ and Lord, and that the global Church is his body for his world salvation purpose. (Eph 3:1-13) **II. Identity**

We believe that by God's grace, UBF is part of God's church, his Kingdom of Priests and Holy Nation (Ex 19:5,6; 1 Pe 2:9). We believe that UBF is therefore part of the body of Christ and has a God-ordained role and position in God's world mission purpose. We proudly identify ourselves as members of the UBF next generation. We are soldiers of our Lord Jesus Christ and want to correctly handle his word of truth (2 Tim 2:15), participating in his sufferings as we live in absolute obedience to him (2 Tim 2:3).

### **III. Mission**

We desire to grow as mature and faithful Messenger Trainers and Disciple-Makers, and to excel and become influential Christ-centered global leaders in our personal lives and professions. We want to serve the UBF vision to the glory of God: that is, serving his world mission purpose through the continuous raising of Christian leaders by evangelism, discipleship, and leadership empowerment in our local chapters and on campuses around the world.

### **IV. Duties for the GLEF 2024 proper**

We commit to responsible preparation for and complete participation in all workshops, lectures, case studies, Bible Studies, etc. for GLEF 2024.
