

A dramatic painting depicting Daniel in the lions' den. Daniel, on the left, is a man with a shaved head and a beard, wearing a long red robe with a gold fringe at the hem. He stands barefoot on a stone floor, looking upwards with his hands clasped in prayer. To his right, a group of lions is gathered. In the foreground, a large lioness is walking towards the left. Behind her, several male lions with golden manes are standing and looking in various directions. The scene is set in a dark, cavernous space with stone walls and floor. The lighting is dramatic, with a strong light source from the left illuminating Daniel and the lions. The overall mood is one of awe and divine protection.
