Zoe and Leo had a (ADJECTIVE) plan: hit the **beach**, eat **ice cream**, and live their (ADJECTIVE) summer **vacation**. Zoe packed an (ADJECTIVE) **itinerary**, while Leo brought one thing—his favorite **surfboard**, which he couldn't actually ride.

They arrived at their (ADJECTIVE) **destination**, lathered up **sunscreen**, and (VERB) toward the water (ADVERB). Five steps in, Leo tripped over a **seashell** and face-planted into the **sand**. His **sunglasses** flew right off also.

"**Hydration!**" Zoe shouted, tossing him a (TYPE OF FRUIT) juice box. Leo chugged it dramatically, looking like a soggy (SEA CREATURE).

They tried to **swim**, but Zoe got tangled in seaweed, and Leo mistook a crab for a lost sock. She then tried to **explore** a tide pool but screamed when a fish flopped near her. "This was not on the itinerary!" she cried.

After a (ADJECTIVE) laugh, they sat under an umbrella, melting in the **heat**, slurping ice cream and embracing their chaotic **independence**. Their (ADJECTIVE) **adventure** was not picture-perfect, but it was definitely the highlight of their summer.
