ABOUT US

"Building Space, Delivering Velocity."

Since our establishment in 2020, **Integrity Enterprise** has set the standard for premium prefabricated cabin solutions. Over our **6-year legacy**, we have grown to house **the largest portable cabin manufacturing facility in West Bengal**, operating out of an expansive **28,800 sq. ft. factory area** with an **8,000 sq. ft. covered shed**.

"What Drives Our Edge?"

Unlike traditional manufacturers, we feature an **in-house, fully machine-made modular furniture manufacturing facility**. This allows us to craft customized, high-precision interiors under one roof. Paired with our streamlined production line, **we proudly offer the lowest delivery times in the market**.

Supported by **our own dedicated fleet and transport network**, Integrity Enterprise ensures **seamless, secure, and rapid shipment of materials to project sites anywhere in India**. When you partner with us, you invest in structural integrity, rapid execution, and complete end-to-end reliability.

WHY CHOOSE INTEGRITY ENTERPRISE

- **Regional Leadership:** Largest portable cabin manufacturing facility in West Bengal.
- **Massive Infrastructure:** 28,800 sq. ft. total factory area with an 8,000 sq. ft. covered operational shed.
- **Modular Interiors:** In-house, fully machine-made modular furniture facility for superior interior finishing.
- **Industry-Fastest Delivery:** Optimized production cycles ensuring the lowest delivery time compared to competitors.
- **Pan-India Logistics:** Own private fleet and transport facility ensuring safe, damage-free shipment across India.
- **Proven Track Record:** Established in 2020 with a 6-year legacy of quality, reliability, and client satisfaction.

OUR PRODUCTS

1. PORTABLE OFFICE CABIN

Built with MS structural frame and MS CRCA sheet exterior, insulated with Glasswool. Features interior wall cladding, a false ceiling, concealed electricals, and our custom in-house modular furniture.

2. PORTABLE BUNK-BED CABIN

Constructed on MS structure with a weather-resistant MS CRCA sheet outer shell and Glasswool insulation. Includes interior cladding, a false ceiling, and durable & comfortable bunk-beds.

OUR PRODUCTS

3. PORTABLE SECURITY CABIN

Fabricated with an MS structure, MS CRCA sheet outer walls, Glasswool insulation, and interior cladding/false ceiling. Designed with a built-in modular writing desk and large windows for 360-degree visibility.

4. PORTABLE STORAGE CABIN

Features a heavy-duty MS frame and MS CRCA sheet exterior duly insulated for internal temperature protection. Equipped with high-load bearing flooring with secure locking system.
