SUMMARY

I am dedicated IT professional with over 6 years of hands-on experience in troubleshooting and maintaining IT systems. Currently serving as an IT specialist at Al Hadetha Madrasa and Jeel Yanbu International School (JYIS) in Yanbu, excels in resolving a wide range of technical issues, including networking, computer maintenance, and connectivity solutions. With a proven track record of ensuring seamless IT operations,

I am dedicated and hardworking individual, always eager to learn and improve. My strong interpersonal skills and positive attitude make me a valuable team player in any work environment.

WORK EXPERIENCE

Information and Technology

Al Hadetha Madrsha and Jeel Yanbu International School
Yanbu, Saudi Arabia

Working in the IT field, especially in educational institutions Al Hadetha Madrasa and Jeel Yanbu International School, is a passion driven by the desire to support seamless technology integration in learning environments. For the past three years, this role has involved resolving a diverse range of technical challenges, from maintaining stable network connections to troubleshooting computers, CCTV systems, and projectors. The passion for IT stems from the satisfaction of solving complex problems, ensuring smooth operations, and empowering students and staff with reliable technology. It's a commitment to innovation and problem-solving that enhances education through technology.

2021 -

Working as Network Administrator

Plus Net I Chittagong, Bangladesh

I am working as a Network Administrator at an Internet Service Provider (ISP). In this role, I oversees a team responsible for delivering internet services efficiently and maintaining high customer satisfaction. My responsibilities include coordinating with technical staff, resolving customer issues, and ensuring smooth daily operations. With strong leadership and organizational skills
