

Our Educators:

With more than 75 years of combined teaching experience, students at Hills Christian School are taught by the some of the best educators in our area. The mixed grade levels allow teachers to build relationships with their students, guiding them through years of personal and spiritual growth.

Barry Miedema:
Principal &
6th - 8th grade

Kristi Van Dyken:
6th - 8th grade

Kathy Velgersdyk:
3rd - 5th grade

Myrna Haak:
Kindergaarten-2nd grade

Our Classrooms

Small class sizes ensure personalized attention, fostering excellence and spiritual growth for every student. We provide a Christ-based education that integrates faith and learning, preparing students for life's challenges. Students have many unique opportunities throughout the year including:

- Participation in choir concerts
- Theater productions
- Guest speakers/musicians
- Field trips
- Special meals served almost weekly by parents and grandparents
- Roller skating parties
- Fund-raising opportunities
- And more...

Extracurriculars

Middle school students at Hills Christian School are all given the opportunity to compete against other local Christian Schools in soccer, basketball, and track and field. 5th - 8th grade students also learn to play an instrument and have several performances each year in the school and in the community. Hands on science experiments, personalized education goals, and service/volunteer projects are also a large part of a comprehensive education plan. Life skills aren't just taught, they are applied as students work alongside their teachers to keep our buildings clean and organized. Older students are often able to assist in supervising or educating their younger peers, as well.

Unique School Schedule

For the 2025-2026 school year, Hills Christian students will follow a four day school week, taking Fridays off. We hope this will allow parents time to schedule appointments, plan vacations, or just enjoy more time with your children at home!

Cost

Private school isn't free, but at Hills Christian School, our goal is to make it as affordable as possible. With discounted rates for the first year, recruitment discounts, and tuition assistance available for those in need, we strive to work with families to provide the best education possible for as many children as we can.

The cost per student for the 2025-2026 school year is:

\$5,600 - 1st - 8th grade
\$4,600 - Kindergaarten

We do offer a 10% discount for each additional student and are currently offering 50% off one student for your first year at Hills Christian School.

Allow me to introduce to you, Hills Christian School, a small Kindergarten through Eighth grade school nestled in Hills, Minnesota. Established in 1949, this modest school has been faithfully educating some of our areas most prominent and successful families for generations.

Some of our favorite attributes:

- small class sizes
- relationship-based education
- mixed grade levels
- 4 day school weeks
- highly experienced educators who are able to teach the complete story of our world, including God's role in it

"MAY THE GOD OF
HOPE FILL YOU WITH
ALL JOY AND PEACE IN
BELIEVING, SO THAT BY
THE POWER OF THE
HOLY SPIRIT YOU MAY
ABOUND IN HOPE."

-ROMANS 15:13

"TRAIN UP A CHILD IN
THE WAY HE SHOULD
GO: AND WHEN HE IS
OLD, HE WILL NOT
DEPART FROM IT."

-PROVERBS 22:6
