

## Accessibility Compliance Certificate

THIS IS TO CERTIFY THAT:

**HAPPYUP.CO.UK**

**has successfully met the accessibility criteria as verified by AccessibilityChecker.org's platform and conforms to Best Practices (recommended), WCAG 2.1 A, WCAG 2.1 AA, WCAG 2.1 AAA, WCAG 2.2 A, WCAG 2.2 AA standards.**

### Evaluation Details:

#### 1. Automated Scan:

The website has passed the automated accessibility tests, which evaluate key factors such as color contrast, alternative text, ARIA attributes, and other critical accessibility components.

#### 2. Manual Quality Assurance (QA):

A comprehensive manual evaluation (including screen reader compatibility, keyboard navigation, and other assistive technology tests) has confirmed that the website is accessible according to WCAG guidelines.

Combined, these evaluations give the website a score of 100.

### Declaration:

By issuing this certificate, AccessibilityChecker.org confirms that at the time of the evaluation, the above website met the relevant accessibility standards through both automated scanning and manual QA.
