

Dance Vision Ballet Company Associate Programme

Student contract agreement

- I promise to be ready to start my lessons and any master classes on time. If I am more than ten minutes late, I will not be able to join in, unless I have given Miss Julie/Miss Daniels prior warning.
- I will wear my Dance Vision uniform for all classes with my hair tidy in crossed plaits. I won't wear any jewellery or false nails.
- I will always try my best in lessons and listen carefully to corrections given to any student as I will learn from this too.
- I will be sensible and ready to listen at all times. I promise not to distract others and I will concentrate on my own dancing to improve my personal best. If I don't, I will be asked to sit out and Miss Julie/Miss Daniels will inform my parents.
- I agree to tell Miss Julie/Miss Daniels if anything hurts, or I've had an injury since the last lesson. If I can't dance due to injury I will still come and watch if possible.
- I may be moved to a different class or some of my ballet friends may be moved at different times to me even if they are the same age, younger or older. Miss Julie will inform my parents/guardian well in advance before the decision is final.
- I agree to be kind to everyone in the Dance Vision Ballet Company Associate Programme. I will only say nice things about Dance Vision, the teachers. Guests and other dancers. If I use a mobile phone or social media, I will use it to only share and say kind things.
