TECHNOLOGY

Be a part of the new

SUNRISE INDUSTRY

with Notovolt Technology solar EPC solutions

NOTOVOLT
TECHNOLOGY

DO YOU KNOW THAT

NOTOVOLT TECHNOLOGY

- 15 years Experience in Technological implementation towards Solar industry .
- In house manufacturing of Solar Inverters, Solar PV panels and MMS structure.
- First in the industry to accumulate inverter manufacturing sheet metal fabrication and OEM PV panels.
- First in the industry to implement Node operating centre (NOC) for operation and management of solar power plants.

OUR SERVICES

- Solar & Electrical Installation
- Battery & Energy Storage
- Hybrid Solar Power Plant
- Off Grid & On Grid Solar
- Electric Vehicle Charger
- Energy Modelling & Advising
- Replace Solar Plant

30 years of warranty for solar panels

100% protected from heat and lightening

10 years secured warranty for inverter
