## THURSDAY, MAY 15TH

### **Awaken Your Spiritual Senses: A Journey Through the Clairs**

**7:00 PM**

WORKSHOP FEATURING REVEREND ELIZABETH BROWN

This is a transformative immersive experience which delves into the Clair's – Clairvoyance, Clairaudience, Clairsentience, Claircognizance, Clairgustance, and Clairallience, to unlock the mysteries of the spiritual senses. This Workshop aims to provide a safe and supportive space for individuals to discover, understand, and embrace their unique intuitive strengths. Through guided sessions, participants will learn to recognize signs of each Clair, practice targeted exercises, and gain practical insights into incorporating these spiritual senses into their daily lives.

## FRIDAY, MAY 16TH

### **Business Meeting**

**10:00 AM**

### **Power Animals: Spirit Guides for Your Spiritual Life**

**2:00 PM**

WORKSHOP FEATURING REVEREND ELIZABETH BROWN

This workshop is designed to introduce participants to the spiritual wisdom and guidance of Power Animals, Spirit Animals, and Totem Animals. Through engaging discussions, guided meditations, and experiential exercises, attendees will learn how to recognize, connect with, and honor their spiritual animal guides. By deepening this connection, participants can access insight, protection, and healing for their spiritual journey.

This two-hour workshop explores the world of Power Animals, Spirit Animals, and Totem Animals. Participants will learn how these spiritual guides can support their journey, how to connect with them, and ways to honor their guidance. Through teachings, guided meditations, drumming ceremonies, and exercises, participants will deepen their relationship with their spirit animal guides.

### **Exploring Spirit Art: Precipitation, Spirit Portraits & Flame Messages**

**7:00 PM**

WORKSHOP FEATURING REVEREND ELIZABETH BROWN

This is a hands-on workshop designed to introduce participants to the fascinating world of Spirit Art. This workshop will explore three unique forms of spirit-inspired artwork: Precipitation Art (spirit-produced images), Spirit Portraits (drawing spirit guides and loved ones), and Flame Messages (creating spirit pictures through fire and soot). Through guided exercises, historical insights, and practical demonstrations, students will develop their ability to channel spirit through artistic expression and mediumistic connection. No artistic experience is necessary—only an open mind and a willingness to explore spirit's creative presence!
