A Newsletter for the Congregation of Bradley Hills Presbyterian Church

---

*I know that when we come together something beautiful will happen as we are encouraged by each other's faith. (Romans 1:12)*

Dear Friends,

This has been a year of both joy and challenge. Even as we have been celebrating the 70th anniversary of the founding of Bradley Hills Presbyterian Church, we have been mindful of our country's recent challenges to the foundations of our democratic form of government and the dismantling of programs that protected the most vulnerable — the “least of these” that Jesus refers to in Matthew 25. Globally, we have also been painfully aware the devastating loss of life and destruction that is taking place in Palestine and Ukraine.

In times like these, people often wonder and ask, “Where is God in all of this?”

In a recent Bible study lesson, we hear Gideon ask such a question when an angel appeared to him and said, “The LORD is with you.”

Outspoken, tell it like it is, show me a sign Gideon replied to the angel:

“...if the LORD is with us, why then has all this happened to us? And where are all his wonderful deeds that our ancestors recounted to us, saying, ‘Did not the LORD bring us up from Egypt?’ But now the LORD has cast us off and given us into the hand of Midian.”

In response, God told Gideon, “You go I commission you to deliver Israel.”

This spring when there was an unprecedented onslaught of government layoffs, members of our congregation heard God's call and stepped up to share their talents and gifts to “do something.” For example, a

counseling group was formed to offer professional help for those dealing with the stress of losing their job and/or the climate of uncertainty surrounding their employment. The Action Forum was formed to identify and address the immediate needs of the local community through financial assistance and legislation advocacy, and we are gearing up to support the annual Coat Drive and Annual Day of Service to assemble disaster kits.

This fall as we turn to looking at BHPC's future and discerning where Spirit is leading and to what future God is calling us, may we continue to respond, “Here I am.” We are almost assured that there will be challenges and rough waters ahead. During times like these, the opposition is counting on fear and distraction to discourage us. However, we must hold on to hope and God's promise to be with us so that our faith will not fail.

In the days ahead, I hope you will be encouraged by one of my favorite hymns:

“We've come this far by faith, leaning on the Lord,  
trusting in the holy Word; God's never failed us yet.  
O, can't turn around, we've come this far by faith.  
We've come this far by faith.”

In faith and hope,

  
Denise

# A Special Message from Pastor David

## Invitation to Gatherings about BHPC's Future

Dear BHPC community,

We are anticipating an exciting fall at Bradley Hills. Seventy years ago, spiritual friends dreamed of a church that would have a generational, life-changing impact on multitudes of people throughout the greater DC area and beyond. This year, we celebrate that, for 70 years, this bold vision has been manifested in and through the people of BHPC to have a positive impact on our community. As we celebrate our cherished past and honor our present, we now look to where God may be calling us for the future.

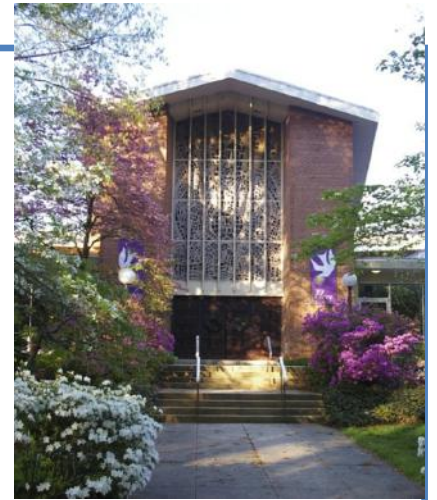

I'm inviting the members and friends of Bradley Hills to imagine the life-changing impact of a church that is prepared for that future. In 2023, our Session approved the recommendations of our Strategic Visioning Task Force Report, which encouraged, among other things, the church to take bold action to ensure the long-term sustainability of BHPC at 6601 Bradley Blvd.

In that spirit, I invite you to join me for a time of dreaming and visioning as we consider our next steps as a church family.

Here are the details for a series of "First Impressions Gatherings" scheduled for later this month and early September. Because we want everyone to be able to attend a gathering, we are providing three opportunities (see right column).

Why "first impressions?" Before launching into a potential capital campaign, we would like to receive feedback and input from our community.

I would love for you to be at the table for one of these gatherings. If these dates don't work for your schedule, I, and our Session, look forward to having a chance to connect with you in the coming weeks.

## Church School Teachers Needed

There is a need for church school teachers for the 2025-26 school year. Church school

starts on Sunday, September 7, 2025, and goes through Sunday, May 17, 2026. Church school teachers usually teach once a month, and our classrooms typically have 10-15 children each.

We need teachers for the following classrooms:

**Preschool Church School (ages 3-4)** | 4 lead teachers to collaborate with parent volunteers (in a co-op style format) to teach a basic curriculum of story, craft and snack. Training in best practices for preschool classroom instruction and management will be provided and supervised throughout the school year by DCYFM Rosanna Howard.

**Godly Play (Kindergarten)** | 2 lead teachers and 2 door persons to teach the Godly Play curriculum and support the Godly Play classroom. Training in the Godly Play curriculum with a GP trainer and DCYFM will be provided in late August.

**Godly Play (1-2 Grade)** | 2 lead teachers and 2 door persons to teach the Godly Play curriculum and support the Godly Play classroom. Training in the Godly Play curriculum with a GP trainer and DCYFM will be provided in late August.

**Club 3-4-5** | 3 lead teachers and 2 second adults to implement the Feasting on the Word Curriculum. Training in classroom management and best practices will be offered by the DCYFM in late August.

To learn more about the commitment or ask any questions, reach out to **DCYFM Rosanna Howard**, [rosanna@bradleyhillschurch.org](mailto:rosanna@bradleyhillschurch.org).

## ASP Mission Trip, Massanetta, and Montreat

Our summer youth outings were a great success! From faith formation to gardening, from building homes in hurricane-ravaged North Carolina to square-dancing, a wonderful experience was had by all. See pages 13-15 for photos. Many thanks to youth leaders for coming along for the ride and lending such great support and guidance to our kids.

## Baby & Me This Summer

Baby & Me continues all summer long. Led by Rosanna Howard, these fun sessions take place on Tuesdays from 9:15-10:30 am in the crib room. It's all developmentally appropriate, child-led play (0-3 years) with music, dance, and story. Siblings welcome! And let your friends with children know that this is being offered at the church for free. All are invited to attend.

# Financial Lay Ministry      Second Quarter Update

## Operating Budget

Thanks to the generosity of many members fulfilling their annual pledges early in the year, our revenue is tracking ahead. This has enabled BHPC to expend nearly its entire Mission budget and denominational support in the first half of the year, getting valuable funds in the hands of those who need it most. We are experiencing the usual lower summer giving trends and are mindful of potential economic uncertainties within our community. However, our current financial position continues to provide a solid foundation for the months ahead.

### REVENUE

**Overall:** Ahead of budget; 59.7% of year-to-date (YTD) budget achieved.

- **Congregational Giving:** Ahead of budget (approximately 1.5 months).
- **Building Use:** Congregational partners are on track.
- **Investment/Other Income:** Over 80% of annual budget, as we recorded the annual endowment draw income in January.

### EXPENSES

**Overall:** Ahead of budget (53.8% of YTD budget).

**Program Areas:** Generally at budget (50.1%).

- **Worship & Arts:** Ahead of budget due to higher instrument maintenance and guest organist fees.
- **Property Management:** Ahead of budget due to snow removal and prepaid maintenance early in year.
- **Mission (MCLM):** Significant portion spent early (92.6%), supporting 16 mission partners as well as summer youth trips.

**Operating Budget Bottom Line: YTD Net Income:** \$104,666 (vs. budgeted year-end surplus of \$6,640).

**Outlook:** Well-positioned, but experiencing summer giving slowdown and recognizing potential employment uncertainty within our community.

## Capital Budget

**HVAC:** \$38,000 (complete)

**Replacement Windows:** 92,866 (complete)

**Cross Garden Enhancement:** \$12,391 (complete)

**Office Flooring/Carpet:** \$26,200 (complete)

**Labyrinth Enhancement:** \$10,000 (Although not formally a part of the capital budget, this project has been made possible through a generous donor.)

Capital spending through the year has slightly exceeded the capital budget. However, we anticipate some of the window replacement expenses will be offset by state grant funds not yet received.

**Questions?** Feel free to reach out to one of our FLM members: Dave Burgett, Chair; John Buchman, Session Liaison, Ed Hummers, Jalena Specht, Jim Everett, Jon Winslow, Bethany Frick, Jan Spencer (staff), and David Gray, Pastor.

# Stewardship

## Stewardship Lay Ministry's Report on 2025 Pledge Fulfillment through June 30

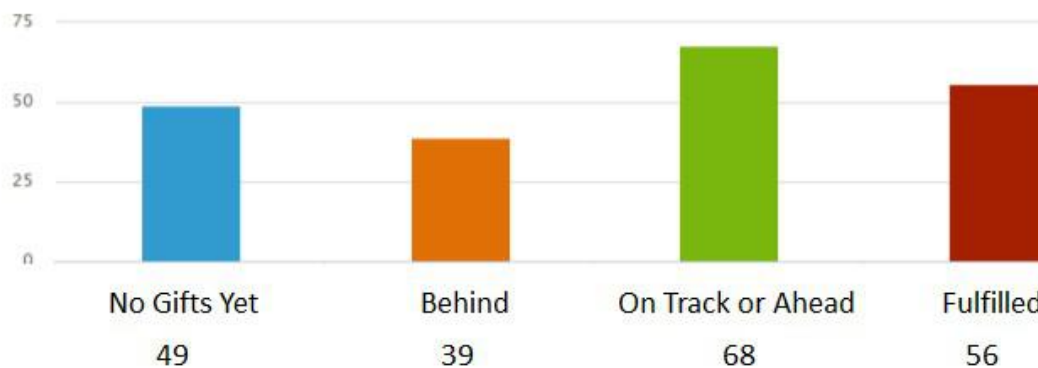

We are grateful for the congregation's faithfulness, both in making financial pledges to the church each year and in fulfilling those pledges. Members fulfill their pledges in different ways, depending on their own household income and budgeting. Some pay their pledges in equal amounts spread over the entire year; some pay the entire pledge early in the year; others pay the entire pledge toward the end of the year.

Many gifts come electronically through Realm, some from the Sunday offering plate, and others from Stock Donations, Donor-Advised Funds, and RMD Qualified Charitable Distributions. We honor and thank everyone for ALL the ways they give to support Bradley Hills!

Through June 30 (halfway through the year), 59% of households that made stewardship pledges have either fulfilled their pledge entirely or have contributed more than half of their annual pledges. Around 18% of households have fallen a bit behind, having contributed less than 50% of their annual pledge. Around 23% of pledging households have not yet made a gift toward their pledge.

The summer brings a different rhythm to church life and for many in our congregation, it's a time for rest and travel. Please remember that while you may be away, your church remains open and active, serving the needs of its members and the community. If you have fallen behind in fulfilling your 2025 pledge, we encourage you to catch up so that the church can fulfill its mission year-round.

Fulfillment Status

## Realm: Our Church Digital Hub

We are updating the Realm database! Never heard of Realm? In a nutshell, Realm allows you to keep track of financial spending, find members' contact information, and receive important communication from Bradley Hills. For more info, go to <https://www.bradleyhillchurch.org/about/realm/>.

Please take a few minutes and update your Realm information or add yourself to Realm if you have not done so already. You can add a photo too, so people at church can recognize you. Look for the Realm cloud icon at the bottom right of the Bradley Hills website for access. If you have never signed into your Realm account, contact Kristen Abbot ([kristen@bradleyhillchurch.org](mailto:kristen@bradleyhillchurch.org)) for an email invitation. Thank you so much!

## Coming This Fall: Racial Justice at Bradley Hills

BHPC's Racial Justice Coordinating Committee (RJCC) invites you to a meeting to provide feedback and comments on BHPC's draft Antiracism Policy.

Date: **Sunday, in October. Date TBD.**

Time: **11:45 am-1:00 pm**

Where: **BHPC Library**

Over the past 6 months, a volunteer team of BHPC

members drafted a proposed Antiracism Policy. The RJCC has received comments from Session, the Board of Deacons and several lay ministries. This meeting will provide the congregation the opportunity to offer comments before a final draft is presented to Session for approval on September 16. A copy of the draft Antiracism Policy will be available for your review on August 30. Contact Don Picard for further information.

## Adult Education

### Adult Education Returns September 7

**September 7, 14, and 21. Reformed Political Thought in an Age of Catastrophe (1914-1945)**

Dr. R. Bruce Douglass (and close friend of Bradley Hills) will be presenting a three part series to begin our program year. Dr. Douglass is Director Emeritus, Reformed Institute of Metropolitan Washington and former Chair of the Department of Government at Georgetown University.

Between 1914 and 1945, the West experienced a series of catastrophic political and economic developments. It was a time when radical ideologies attracted wide followings, making it difficult for democratic regimes to govern. It was also a time when war took on a totalizing character that had devastating effects throughout much of the world. In

addition, the global economy suffered a depression of unusual magnitude. During this period, reformed Protestants continued to play influential roles in public life, but they were forced to rethink a number of the assumptions they had inherited from their 19th century predecessors.

Session #1 - Radical ideologies

Session #2. Depression

Session #3. War

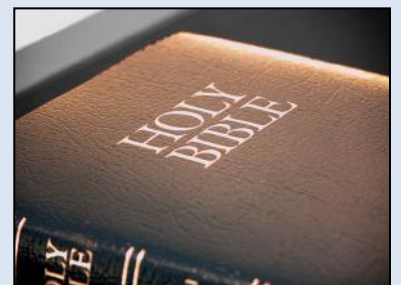

Dr. Douglass never fails to enlighten and remind us about how our faith has addressed the challenges of the past and the similarities and differences to today.

**September 28. Bradley Hills: The Church of the Future after celebrating Bradley Hills Past 70 Years**

David Gray will engage us in a session that explores the possibilities and challenges for our future.

### Bible Study on Zoom August 6, 13, and 20

Bible Study continues over the summer. Join us by Zoom on Wednesdays at 2:00 pm to discuss scripture with Pastor David or Pastor Denise. You do not need to be a member of Bradley Hills to attend our Bible Study classes. Everyone in the community is invited! Whether you enjoy actively participating or simply wish to listen in, all are welcome. Contact the Kristen Abbott at the Church Office for the Bible Study Zoom link ([kristen@bradleyhillschurch.org](mailto:kristen@bradleyhillschurch.org)).

## BHPC Nursery School

How is it August already? At BHPCNS, August is always a flurry of activity as we prepare for the upcoming school year. This summer we are busy replacing our classroom rugs, replenishing the mulch and sand on our playgrounds, and adding new soft flooring to our Rainy Day Room. We have enjoyed seeing all the places near and far that “Flat Bradley” has visited this summer. We are excited for another fun-filled year of playing, growing, and learning.

We have limited openings in our program for the 2025-2026 school year and will begin accepting applications for the 2026-2027 school year for new families in late September. For more information visit our website [www.bhpcns.org](http://www.bhpcns.org) or call the office at 301-365-2909 to arrange a tour and have your questions answered.

In the meantime, enjoy the last days of summer.
