WELCOME MESSAGE

Dear Friends,

It gives us immense pleasure to welcome you to the **3rd International Neurolaryngology CON 2026**, to be held in the beautiful city of **Thiruvananthapuram, Kerala, India**, from **13th–15th November 2026**.

The theme for this year's conference is:

“Unilateral Vocal Cord Palsy – From Diagnosis to Definitive Management”

This edition has been meticulously designed to provide an in-depth understanding of one of the most challenging and fascinating areas in laryngology.

THEME UNILATERAL VOCAL CORD PALSY

DAY 1 HANDS-ON SURGICAL WORKSHOP

An intensive practical workshop offering step-by-step training in contemporary surgical procedures for the diagnosis and management of Unilateral Vocal Cord Palsy (UVCP), including:

- ✓ Injection Laryngoplasty
- ✓ Medialization Thyroplasty
- ✓ Arytenoid Adduction Techniques
- ✓ Reinnervation Procedures
- ✓ Advanced Diagnostic Evaluation

DAYS 2 & 3 SCIENTIFIC DELIBERATIONS

Comprehensive academic sessions featuring:

- Expert Lectures
- Panel Discussions
- Interactive Case Deliberations
- Video Demonstrations
- Evidence-Based Updates
- Surgical Pearls & Pitfalls
- International Faculty Perspectives

Renowned national and international experts will share their experiences and insights, helping participants navigate the complexities of unilateral vocal cord palsy from diagnosis through definitive management.

JOIN US

We invite you to join us for three days of learning, collaboration, innovation, and professional networking. Let us come together to advance our understanding, share experiences, and contribute towards better patient care.

We look forward to welcoming you to **Thiruvananthapuram** and making this scientific event a memorable and enriching experience.

WARM REGARDS

Dr. Jayakumar R. Menon
Organising Chairman

Dr. Manju E. Issac
Scientific Committee
Chairperson

Dr. Sabari Nath H. S.
Organising Secretary

Dr. Avinash Mohan
Treasurer

WHO SHOULD ATTEND?

This conference will be of immense value to:

Laryngologists

Laryngology Fellows & Trainees

ENT Surgeons with Special Interest in Laryngology

Teaching Faculty in Otorhinolaryngology

Head & Neck Surgeons

Thyroid Surgeons

Speech & Voice Professionals

WHY ATTEND?

- ✓ Learn from internationally acclaimed experts
- ✓ Gain hands-on surgical experience
- ✓ Discuss challenging clinical scenarios
- ✓ Explore emerging technologies and evidence-based practices
- ✓ Network with peers and leaders in the field
- ✓ Enhance patient care through multidisciplinary collaboration

ACADEMIC PROGRAMME

UNILATERAL VOCAL CORD PALSY

From Diagnosis to Definitive Management

**BLOCK
YOUR DATES**

13–15 NOVEMBER 2026

THIRUVANANTHAPURAM, KERALA, INDIA

SCIENTIFIC DELIBERATIONS

1 FOUNDATIONS OF NEUROLARYNGOLOGY

- History of Neuro Laryngology
- Detailed Anatomy of the Larynx
 - Intrinsic Laryngeal Muscles
 - Extrinsic Laryngeal Muscles
- Intralaryngeal Course of the Recurrent Laryngeal Nerve (RLN)
- Internal & External Branches of the Superior Laryngeal Nerve
 - IBSLN
 - EBSLN
- Anatomy & Physiology of:
 - Crico arytenoid Joint
 - Crico thyroid Joint
 - Ary corniculate Joint
- Comparative Anatomy of the Larynx

2 NERVE INJURY & RECOVERY

- Types of Nerve Injury
- Degeneration & Regeneration of Damaged Laryngeal Nerves
- Pathophysiology of Laryngeal Synkinesis
- Visual Neurolaryngology
- Compensatory Behaviours in UVCP

3 DIAGNOSTIC EVALUATION

- Respiratory Function Assessment
- Flow Volume Loops in the Diagnosis of UVCP
- Role of Ultrasound in Locating Various Laryngeal Muscles
- Laryngeal Electromyography (LEMG)
- Techniques for Different Laryngeal Muscles
- Interpretation of LEMG in UVCP

4 NON-SURGICAL MANAGEMENT

- Specific Voice Therapy Techniques for UVCP

5 SURGICAL MANAGEMENT OF UVCP

- Injection Laryngoplasty
- Medialisation Thyroplasty
- Management of Arytenoid Dysfunction
 - Arytenoid Adduction (Rotation)
 - Classic Arytenoid Adduction
 - Endoscopic – String Arytenoid Adduction (SAA)
 - Titanium Screw Arytenoid Adduction
- Various Approaches to the Body & Muscular Process of Arytenoid

6 REINNERVATION PROCEDURES

- Donor Nerves & Bridging Nerves
- Surgical Techniques of Microneural Anastomosis in Laryngeal Reinnervation Surgeries
- Non Selective Reinnervation (NSR) for UVCP
- Neurotization or Highly Selective Reinnervation (HSR) for Isolated Laryngeal Muscle Paralysis
- Selective Laryngeal Adductor Reinnervation (SLAR) for Unilateral Adductor Paralysis
- Role of Unilateral Selective Laryngeal Reinnervation (USLR) in UVCP

7 SPECIAL SESSION

- Management of Thyroid Tumours Involving the RLN
- Panel Discussion on “Difficult Scenarios of UVCP”

HANDS-ON WORKSHOPS

(DAY 1 – INTENSIVE CADAVERIC & SIMULATION-BASED TRAINING)

1 INJECTION LARYNGOPLASTY

2 ULTRASOUND IN LARYNGOLOGY

3 LARYNGEAL ELECTROMYOGRAPHY (LEMG)

4 MEDIALISATION THYROPLASTY WITH ARYTENOID ROTATION

5 NON SELECTIVE REINNERVATION (NSR)

WHY YOU SHOULD ATTEND

- ✓ Comprehensive understanding of UVCP
- ✓ From anatomy to advanced surgical reconstruction
- ✓ Hands-on exposure to contemporary techniques
- ✓ Learn directly from international experts
- ✓ Practical tips and evidence-based decision making

REGISTRATION DETAILS

3rd International NEUROLARYNGOLOGY CON 2026

Unilateral Vocal Cord Palsy – From Diagnosis to Definitive Management

13-15 NOVEMBER 2026 THIRUVANANTHAPURAM, KERALA, INDIA

CONFERENCE REGISTRATION

REGISTRATION PERIOD	INDIAN & SAARC COUNTRY DELEGATES (₹)	NON SAARC COUNTRY DELEGATES (USD)
 EARLY BIRD Till July 31, 2026	₹ 10,000	\$ 200
 REGULAR Till October 31, 2026	₹ 12,000	\$ 250
 LATE REGISTRATION After October 31, 2026	₹ 15,000	\$ 300

CONFERENCE REGISTRATION INCLUDES

- ✓ Access to all Scientific Sessions
- ✓ International Faculty Lectures
- ✓ Conference Kit & Delegate Materials
- ✓ Lunches & Refreshments during Conference Days
- ✓ Access to Trade Exhibition
- ✓ Certificate of Participation
- ✓ Networking Opportunities with International Faculty

HANDS-ON WORKSHOPS

INJECTION LARYNGOPLASTY

	INDIAN & SAARC (₹)	NON SAARC (USD)
Dissector	₹ 7,500	\$ 100
Observer	₹ 3,500	\$ 50

ULTRASOUND IN LARYNGOLOGY

	INDIAN & SAARC (₹)	NON SAARC (USD)
Dissector	₹ 5,000	\$ 75
Observer	₹ 2,500	\$ 35

LARYNGEAL ELECTROMYOGRAPHY (LEMG)

	INDIAN & SAARC (₹)	NON SAARC (USD)
Dissector	₹ 5,000	\$ 75
Observer	₹ 2,500	\$ 35

MEDIALISATION THYROPLASTY WITH ARYTENOID ROTATION

	INDIAN & SAARC (₹)	NON SAARC (USD)
Dissector	₹ 10,000	\$ 200
Observer	₹ 5,000	\$ 100

NON-SELECTIVE REINNERVATION (NSR)

	INDIAN & SAARC (₹)	NON SAARC (USD)
Dissector	₹ 12,000	\$ 225
Observer	₹ 6,000	\$ 100

WORKSHOP REGISTRATION INCLUDES

- ✓ Hands-on Training/ Observation
- ✓ Workshop Manuals
- ✓ Cadaveric (Goat/Pig Larynx)/ Simulation Exposure
- ✓ Faculty Interaction
- ✓ Workshop Participation Certificate

IMPORTANT NOTES

- ⚠ Conference registration is mandatory for workshop registration.
- ⚠ Workshop seats are strictly limited and will be allotted on a first-come, first-served basis.
- ⚠ Registration for workshops requires separate enrolment in addition to conference registration.

TERMS & CONDITIONS

- Registration once done is non-refundable.
- Delegate badge is mandatory for entry to all sessions and exhibition area.
- Management reserves the right to make changes in the program without prior notice.
