

CTRADING

Introducing our new Multilevel Referral Program

Do you know anyone who trades in
cryptomarkets and enjoys trading?

We believe that great talent attracts
great talent, and that's why we're
excited to launch our new
Multilevel Referral Program.

WHAT'S IN IT FOR **YOU?**

Generous Rewards

Receive a substantial bonus for every successful referral that results in a new registered. Not only will you be helping the community grow, but you'll also be rewarded for your efforts.

A Stronger Team

By referring skilled professionals from your network, you'll contribute to building a higher quality trading. Collaborating with individuals you trust can create a better trading environment.

Increase your profits

Expand your earnings by helping us grow the community. Discover a new way to grow your income beyond the trading you already do. Multiply your income.

How it works...

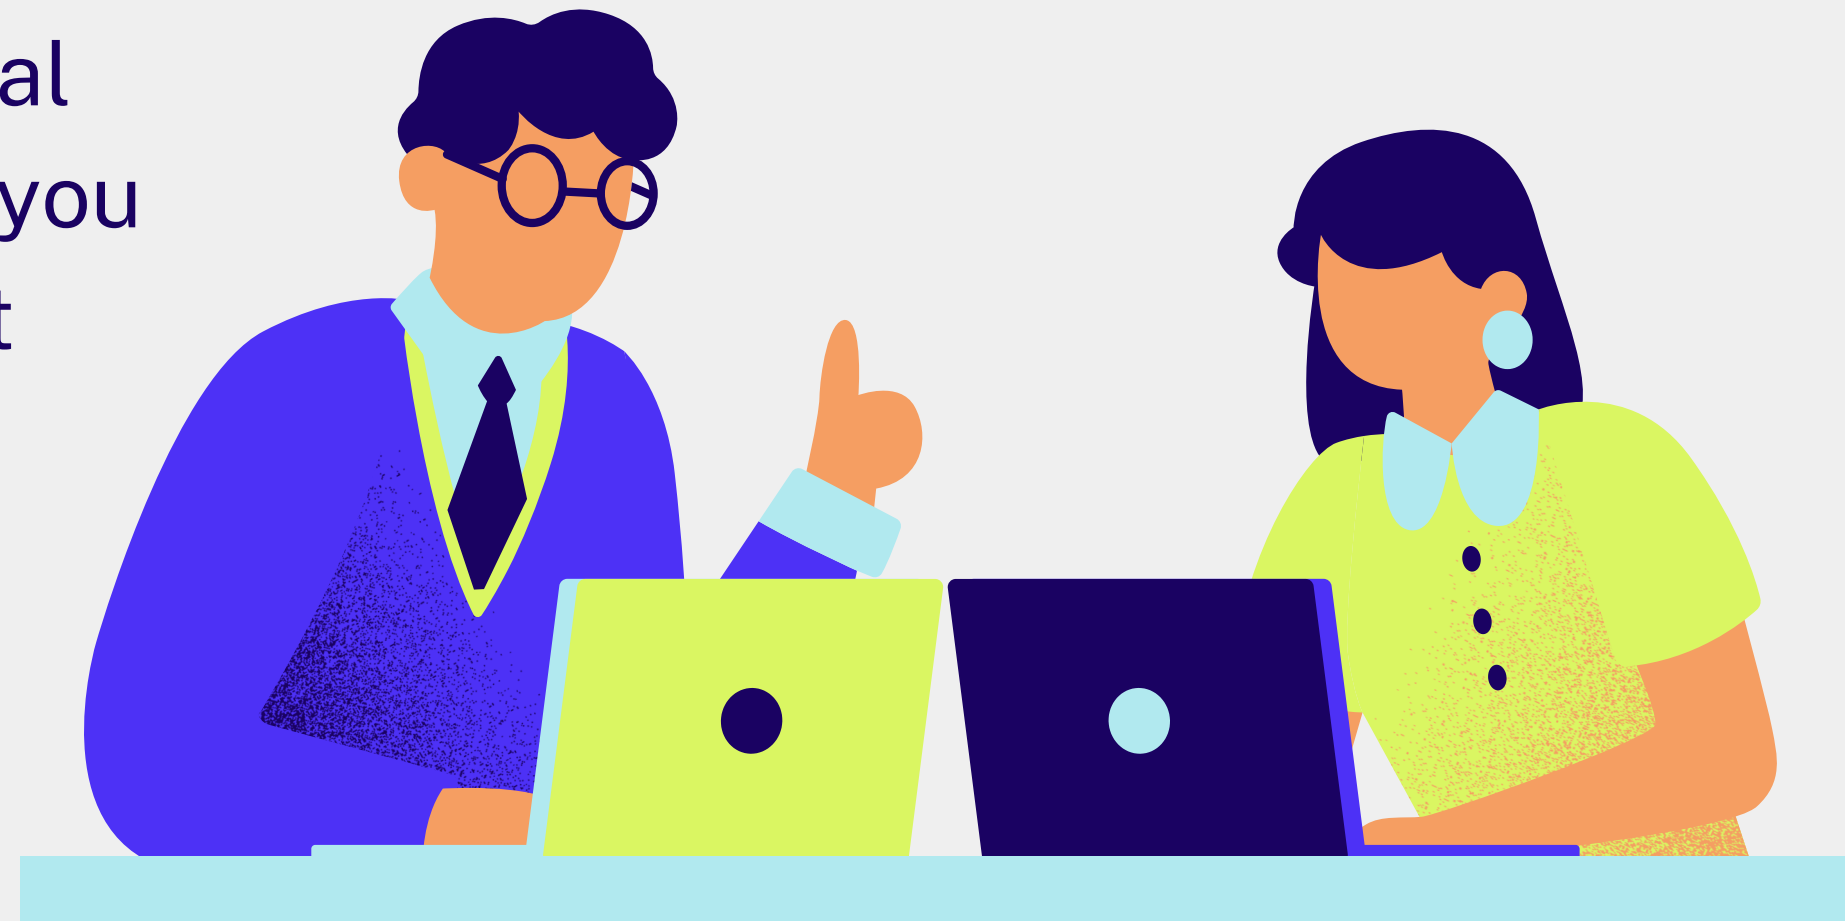

1) SPREAD THE WORD

Let your friends, family, and professional network know about the platform. Share the referral link details and encourage them to join the community.

2) REGISTER PROCESS

They will simply have to register from your referral link on the platform and you will already have a direct referral. It's that simple!

3) REVENUES BY LEVEL

Up to **10 USDC** per filled line

- Level 1 - 6 USDC
- Level 2 - 3 USDC
- Level 3 - 1 USDC

Each week commissions will be transferred directly to your wallet (ERC-20).

The minimum amount you need to have accumulated to receive the commission is 50 USDC.
