"Rectors of partner universities, project coordinators, representatives of partner institutions and special guests will participate in the kick-off meeting of REFRESH."

Co-funded by the
Erasmus+ Programme
of the European Union

The project "Green and sustainable global economic improvement at Azerbaijani Universities: renewable energy and climate change mitigation" (REFRESH) has been created by analyzing international and national country reports of Azerbaijan, where transition into green economy is inevitable.

REFRESH specifically covers implementation of Green Deal, where capacity building of the students and training of teachers and exchange of good practice in the targeted regions. Furthermore, fostering relationships between academia-industry-government to increase the employability of students, as well as, experimenting and mainstreaming positive and best practices in higher education institutions (HEIs) are being highlighted.
