AZERBAIJANI REPRESENTATIVES OF THE REFRESH PROJECT TOOK PART IN A BUSINESS TRIP TO THE UNIVERSITY OF BOLOGNA

A staff training visit to the University of Bologna (UNIBO), Italy, was organized within the framework of the “Green and Sustainable Global Economic Improvement at Azerbaijani Universities: Renewable Energy and Climate Change Mitigation (REFRESH)” project. The Azerbaijan State University of Economics (UNEC) won this project in 2022 under the ERASMUS+ KA2 program. The visit brought together representatives of Azerbaijani higher education institutions participating in the REFRESH consortium and academic staff from UNIBO to exchange institutional information and discuss planned activities and objectives of the project.

BOLOGNA VISIT**

During the training program, experts from the UNIBO Department of Industrial Engineering delivered seminars on green and sustainable energy development and initiatives aimed at mitigating climate change. In addition, the UNIBO Scientific and Innovation Center presented recent advancements in research and innovation, followed by an interactive discussion session. The program concluded with meetings on the future implementation stages of the REFRESH project, highlighting the shared commitment of the partner institutions to promoting sustainability and addressing global climate challenges.
