ABOUT US

MAXUS Trading & Services is a dynamic and multifaceted business promoting company with a diversified portfolio of businesses operating across various industries. With a relentless focus on innovation, excellence, and customer satisfaction, we strive to create value and make a positive impact in every sector we operate in. We are driven by a culture of excellence, collaboration, and continuous improvement. Our multifaceted nature thrives on diversity, innovation, and the pursuit of sustainable growth. We are proud to be a dynamic organization that adapts to changing market conditions, embraces emerging technologies, and creates value for all stakeholders.

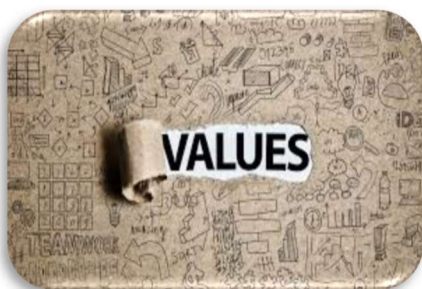

MAXUS Trading & Services, as a multifaceted company has the advantage of versatility and adaptability, allowing us to navigate through various market conditions and capitalize on opportunities in different industries. Our ability to diversify and leverage synergies provide stability and growth potential, making it a resilient player in the business landscape.

To build long-term partnerships with our clients and stakeholders based on trust, integrity, and mutual success, creating enduring value for all and thus to be recognized as a global leader in our multifaceted industries, driving innovation, delivering excellence, and making a positive impact on society and the economy.

Our mission is to drive industry-leading innovation, deliver excellence across our diverse businesses, and positively impact society by creating products and services that improve lives and transform industries.

Our core values revolve around fostering innovative culture inside the organisation, delivering excellence in all actions, Customer Centricity, Collaborative approach, and a socially responsible organisation.

What We Do.

1. Civil/MEP products and General Trading

We engage in trading and distribution activities, acting as a bridge between manufacturers and end-users. We focus on building strong partnerships with manufacturers and distributors to deliver products that meet market demands.

2. General Procurement/Sourcing Specialists

Our experienced procurement team utilizes their extensive network and market knowledge to identify reliable suppliers, negotiate competitive prices, and ensure timely delivery of high-quality products to our clients.

3. General maintenance

We are a trusted provider of professional maintenance services for commercial and residential properties. With a highly skilled team, we specialize in delivering comprehensive maintenance solutions that ensure the safety, functionality, and longevity of our clients' assets. Our commitment to quality, reliability, and customer satisfaction sets us apart in the maintenance industry.

4. Healthcare HR solutions

We offer end-to-end recruitment and staffing services for healthcare organizations. Our dedicated team of HR professionals utilizes industry-specific expertise and an extensive network to identify, screen, and place highly qualified candidates. Our experts stay up-to-date with the ever-changing healthcare regulations, ensuring that clients remain in compliance with laws related to employee documentation, licensing, training, and certifications.

5. Home Appliances

Our company specializes in the trading of high-quality home appliances from reputable brand. We guarantee the best quality at very competitive prices. We also offer reliable after-sales services including installation and maintenance of the appliances.

6. AMC Services-Civil/MEP/Facility/Equipment's
