

# INFINITUM VENTURIS | CONSULTING

## Global Cacao Supply Solutions

Direct Trade | Certified Origins | Premium Quality

### THE WORLD'S FINEST CACAO, SOURCED WITH INTEGRITY

#### Explore the Four Principal Cacao Varieties

**Criollo** — Rare and delicate, known for superior aromatic complexity.

**Forastero** — Hardy and robust, forming the foundation of global cocoa production.

**Trinitario** — Flavour-rich hybrid offering a spectrum of taste profiles.

**Nacional** — Ultra-rare Ecuadorian-origin cacao with floral, fruity notes.

PERU

#### Why Choose Infinitum Venturis

✓ Certified, Ethical Sourcing — Traceable supply chains with Fair Trade and organic certifications available.

✓ Direct Producer Relationships — We work directly with co-operatives, estates, and certified suppliers.

✓ Solutions for All Buyers — From specialty chocolate makers to bulk processors, we tailor procurement to your needs.

Let's Build Your Cacao Supply Pipeline

→ Consult with Us Today to Get Started

At Infinitum Venturis, we specialize in connecting global buyers with premium cacao varieties from the world's most renowned producing regions. Whether you're sourcing heirloom Criollo for craft chocolate or high-grade Forastero for large-scale production, we ensure quality, traceability, and ethical sourcing every step of the way.

## HOW WE BROKER CACAO SUPPLY AGREEMENTS

### Step I

#### **DISCOVERY & CONSULTATION**

- We work with you to define your cacao needs: variety, grade, certifications (Organic, Fair Trade), and origin.
- Our network includes verified producers and cooperatives across Latin America, Africa, and Asia.

### Step II

#### **SECURE SOURCING**

- We negotiate directly with farmers, cooperatives, and certified exporters.
- Every deal includes traceability documentation, origin certification, and optional third-party quality inspection.

### Step III

#### **TRANSACTION STRUCTURING**

- We structure agreements with secure payment options and the support of global trade institutions (e.g., Export Development Canada).
- For larger orders, we coordinate sampling, lab verification, and logistics handling.

### Step IV

#### **GLOBAL REACH, LOCAL KNOWLEDGE**

- With on-the-ground contacts and logistics partners, we simplify procurement for buyers in North America, Europe, Asia, and Africa.
