APPROACH: TRAINING

Bookville International Training & Development Institute fully subscribes to International Training and Development Best standards.

Our range of courses seek to address both the narrow and broad needs by providing our clients with relevant experience, skills and knowledge to deal with challenges that emerge from the volatile and unpredictable business environments.

Above all, our learning programmes and workshops also provide an excellent opportunity to network and learn from peers who work in various parts of world.

Thus course programmes are designed in such that they are interactive, drawing from participant's prior knowledge and experience, use of case. Studies, management games, lectures, simulations, group activities and field studies. To transform talent across all levels of your business, choose among our vast range of comprehensive upskilling and reskilling solutions designed to foster individual development and power organizational success. Build the next generation of professional talent through credentialed learning which you can only get from (BITDI) .Should you require training in the courses not shown on the calendar or tailor made contents or training to be done at your premises, kindly submit your request to the Programmes Director.

TRAVEL AND VISAS:
