Sacred Sovereign Alliance of First Nations

TE KAWA MANA ATUA

SOVRAN-SOVEREIGN-SOVEREIGNTY

DECLARATION

I'O E AU, I'O E KOE, I'O E TATOU May this sacred message awaken the divine vibration within all who walk the path of chosen purpose—anointed by I'O Matua-nui, where spirit embraces destiny. Born into the physical through the sacred passage of Avaiki, through the union of mother and father, Bestowed with Te Kawa Mana Atua, the divine authority—empowered by the Creator, infused with His eternal DNA. I'O E Au—God in Me. I'O E Koe—God in You. I'O E Tatou—God in All of Us.

Through the SACRED SOVRAN-SOVEREIGN-SOVEREIGNTY ALLIANCE OF FIRST NATIONS—TE KAWA MANA ATUA—we stand at the threshold of destiny, fulfilling the calling of our chosen leaders and people from the spiritual realm to the physical divine blood lines through our ancestors. From the realm beyond, where souls are chosen for their sacred journey, we enter the physical world through a divine **Ava-Iki**, the divine passage of selection. By this anointing, we are entrusted with a purpose woven into the fabric of existence in I'O Matua Nui our creator.

Avaiki-Nui, Mother Earth, cradles our arrival and journey, guiding our steps as guardians of wisdom, sovereign protectors, and keepers of the ancestral flame **I'O E Au—God in Me. I'O E Koe—God in You. I'O E Tatou—God in All of Us.**

By the divine empowerment of **I'O Matua Nui, God Almighty**, we rise, illuminated by the light of prophecy, bound by the sacred covenant of unity, and carrying the eternal Karakia Pure Chants and song of our people across the lands and waters of **Te Moana Nui O Kiva**.

Prophecy of Divine Unification

"Should the three sacred colors—red, black, and white—pass through the eye of the needle, then shall the sovereign bloodlines be bound as one."

Thus, Meautara High Priest, Kahui Ariki, Mataiapo, Rangatira, and all Tama Tumu—E Tangata Māori, E Taata Maohi, E Kanaka Maoli—shall stand united, embracing the Sacred Alliance of our Island Nations:

Avaiki-Runga, Avaiki-Tautau, Avaiki-Tauaro, Avaiki-Roa, Avaiki-Pamamao—lands settled in divine purpose, more than a thousand years before the forceful forces of colonization imposed their will.

Yet, though the premeditated agenda of enslavement and genocide has sought to sever our inheritance since 1795 AD—its shadow stretching through time to this very year, 2025—we remain.

Our truth endures. Our sovereignty is unbroken.

The **EYE OF THE NEEDLE** is the threshold through which the chosen pass—a divine selection, a purification, a transfiguration of spirit into purpose. Only through this sacred passage may unity be restored, sovereignty affirmed, and prophecy fulfilled.

Red, the bloodline—ancestral strength, sacrifice, and the eternal pulse of life eternal. Black, the sacred foundation—the wisdom of the unseen, the depth of knowing, the guardianship of truth. White, the divine light—the purity of purpose, the anointing of creation, the call to oneness.

SACRED ALLIANCE FIRST NATIONS falls under our ancient oral coding names herein

Sacred Calling of Divine Unification

Through **I’O E Au**—God in Me, **I’O E Koe**—God in You, **I’O E Tatou**—God in All of Us, The Creator, Almighty I’O, calls forth unity.

As the three sacred colors converge within the passage, so too shall the nations rise in **ONENESS**, standing together as one people within **Avaiki-Nui, Te Moana Nui O Hiva**. Now, a sacred calling echoes forth—to those anointed to continue this journey, teaching our people the true purpose of their existence. For we are chosen, entrusted to uphold His divine lore: **Peace, Love, and Harmony**—the foundation of His Kingdom, Heaven on Earth, leading to eternal life within His house.

I’O does not call the qualified. I’O qualifies the caller.

Legal Safeguards Against Genocide and Crimes Against Humanity

The Sacred Alliance First Nations Councils of Chiefs shall exercise full sovereign authority in prosecuting industrial, military, and medical interventions that endanger our people, lands, and ancestral heritage. Acts of genocide and crimes against humanity shall be pursued with the highest international legal recourse.

1. Any government, corporate, or institutional act—such as nuclear waste dumping, chemical land testing, geoengineering cloud manipulation, or concealed military-industrial bases—shall be deemed a direct offense against First Nations and First Island Nations sovereignty. Such violations shall be formally prosecuted under international law as acts of war and ecological genocide, with reparations sought through the World Court.
2. Any enforced medical interventions—including mass health directives issued by the World Health Organization (WHO), the World Economic Forum (WEF), or government agencies—shall be rejected in full by the Councils of Chiefs. Entities that impose unauthorized or coercive medical programs upon our people shall face prosecution

for violation of bodily sovereignty and crimes against humanity under international legal statutes.

3. The forced or deceptive deployment of vaccines upon Sacred Alliance First Nations and First Island Nations shall be classified as genocide under the Geneva Convention and international humanitarian law. The Councils of Chiefs shall initiate formal proceedings within the World Court, seeking criminal accountability, reparative justice, and sovereign safeguards against further violations.
