THE COMPANY

Lifetime Stools is a leading manufacturer of premium stainless steel stools and folding tables in India, committed to delivering high-quality, durable, and practical solutions directly from the factory to customers — with no middlemen involved. Built on a foundation of trust, quality, and affordability, Lifetime Stools is steadily establishing itself as a reliable name in the stainless steel furniture industry.

Backed by deep expertise in stainless steel manufacturing, the brand focuses on creating products that combine strength, functionality, and modern design. Every product is crafted using 100% high-grade stainless steel with a glossy finish, ensuring corrosion resistance, long life, and superior load-bearing capacity of up to 150 kg. All products come fully assembled, making them ready to use and highly convenient for customers.

Lifetime Stools offers a wide range of products including stackable stainless steel stools, laboratory stools, kitchen stools, and stainless steel folding tables in multiple sizes and heights to meet diverse needs. Designed for easy handling, space-saving storage, and everyday heavy usage, our products are ideal for homes, kitchens, laboratories, hospitals, offices, factories, and commercial spaces.

With a strong focus on quality manufacturing at factory-direct pricing, Lifetime Stools ensures customers receive the best value without compromising on durability or design. Our products are widely appreciated for their strength, stability, and long-lasting performance, making them a preferred choice across various industries.

We are continuously expanding our presence across India and aim to build a strong dealer network. Dealership opportunities are available, especially in Gujarat and other key markets. For bulk purchases, dealership inquiries, or export requirements, Lifetime Stools offers reliable supply and competitive pricing. With a vision to grow nationally and globally, Lifetime Stools is committed to becoming a trusted brand in stainless steel furniture — delivering products that truly stand the test of time.
