About me

My name is Andrés Esquius. I am a 3D Environment Artist and Modeler.

I am currently looking for opportunities to grow professionally in the 3D industry

Projects

Abyssal Leviathan

july 2025

3D creature design and cinematic lighting in Blender

Beyond Earth

august 2025

Space environment rendering with procedural textures and shading

Wild

september 2025

Modular environment design with mixed procedural and painted textures

Experience

Scruffy Dog Creative Studio · Internship

5 months

I was an intern at a graphic arts company, "Scruffy Dog Creative Studio," for 5 months. I have experience dealing with clients in Catalan, Spanish, and English. I have worked under pressure and with tight deadlines.

Technician in 2D and 3D Animation

Graduated from artistic high school, 2021 at Institut Can Planas. Qualified as a 2D, 3D, and special effects animation technician at the Art and Design School of Sant Cugat (EAD Sant Cugat).
