

CONTENT KICKSTART TOOLKIT

pamseino.com

Welcome!

Congratulations on grabbing the Content Kickstart Toolkit! This toolkit was created to help you go from "What do I post?" to "I've got this!" Whether you're a seasoned creator or just starting out, this guide will help you level up your content game!

How to Use This Toolkit

 Start with the <u>Monthly Content</u> <u>Calendar</u> to map out your bigpicture strategy. Plan themes, launches, campaigns, or seasonal content using the <u>Content</u> <u>Generator</u>.

 Use the <u>Weekly Content Planner</u> to break your monthly plan into weekly chunks. Choose content types and platforms, and note any necessary visuals.

- Rotate through the 20 Content Theme ideas from the <u>Cheat Sheet</u>. Mix storytelling, tips, inspiration, and promotional posts.
- 4. Use the <u>**Repurposing Grid**</u> to take 1 idea and turn it into 5+ pieces of content across platforms.
- Use <u>Fill-in-the-Blank Captions</u> and <u>CTAs</u> to grab a quick caption or call to action when you're stuck. Just personalize and post.
- 6. Use the <u>Monthly Hashtag</u> to keep your strategy current and competitive.
