

Media LLC

The Mission

Fix Media LLC was created to be the executive body surrounding production of the Short Film titled "Fix," created by Scott Peterson and Jake Holtzer.

"Fix" tells the story of three young men who seek to balance privilege, trust, and addiction as they hatch a plan to escape their seemingly predetermined fates.

Shooting Jan. 3-12, 2023, "Fix" brings together an amazing team, led by the production companies of Broken Leg Entertainment, Inc. and NonScience Productions LLC.

Distribution

Fix is focusing on festivals, digital releases, and private premieres as its distribution methods. While schedules are subject to change, the current targeted markets are as follows:
