Designed for acting on motorbikes so that an artist can safely simulate a bike movement on a contained trailer.

Can be used on concrete or muddy terrains at a max speed of 60 kph.

The trailer is towed by any of Cedstunt's vehicle such as Chevrolet Silverado 2500, Ford Raptor F150, Polaris Ranger 6  
Wheeler,  
Polaris Quad 1000cc or 850cc.
