

ZCHS ORCHESTRA CONCERT UNIFORM INFORMATION

Concert uniforms are on loan from the orchestra program. To keep them in the best shape possible to serve us for upcoming years, please follow the following guidelines. Questions? Email ZOinc Parent Boosters @ zoincinfo@gmail.com

Concert Uniform:

Shirt & Pants – Wear black shoes, black dress/crew socks, black dress belt, and black tie

Dresses – Wear black closed toed shoes, black tights or hose, and black undergarments (not sports bra or razor back style bra - the straps show)

CARE INSTRUCTIONS:

- All parts of the uniforms except the ties are machine washable. Please wash and dry according to directions before hemming and the first concert and as needed throughout the year.
- Shirts and pants may need to be ironed.

Alterations: Each student is responsible for getting their own uniform hemmed before our first concert on Thursday, October 2nd. You can do it yourself, have it done by someone you know, or use one of the options listed below. These are simply provided for your convenience and do not have any endorsements from the school or orchestra program. Everyone needs to follow the guidelines listed below. Thanks!

HEMMING INSTRUCTIONS:

- If uniforms are extremely long and must be cut, there must be at least 2" extra material left before hemming. The uniforms belong to the school and will be reused for many years. Future students may need longer pants or dresses.
- Wear the shoes you will wear for the concerts when you have them measured for hemming. This is especially important if you plan on wearing heels with your dress.

DRESSES

Hem should be no more than 2" off the floor.

PANTS

No cuffs on pants

ALTERATIONS OPTIONS:

Creative Cousins 317-769-0692; 7623 W. Stonegate, Zionsville
