- Troubleshoot and resolve technical issues related to web development.
- Stay up-to-date with the latest web development trends, tools, and technologies.

Required Skills & Qualifications:

- Bachelor's degree in Computer Science, Web Development, or a related field.
- Proven experience (2+ years) as a website developer, preferably within a consultancy or agency setting.
- Proficiency in web development languages and technologies, including HTML, CSS, JavaScript, and PHP.
- Experience with content management systems (CMS) such as WordPress, Drupal, or Joomla.
- Familiarity with front-end frameworks (e.g., React, Angular, Vue.js) and back-end frameworks (e.g., Node.js, Django).
- Strong understanding of responsive design principles and cross-browser compatibility.
- Excellent problem-solving skills and attention to detail.
- Ability to work independently and as part of a team.
- Strong communication and interpersonal skills.

Benefits:

- Competitive salary package
- Health insurance coverage
- Performance-based bonuses
- Professional development opportunities
- Flexible work arrangements
- Mental health days
- Team building events and activities
- Workshop and conference attendance opportunities
- Access to design and marketing tools subscriptions
