How did you learn about the Wirehaired Vizsla & why are you interested in the breed?

What are you looking for in a dog? What activities do you plan to participate in with your WHV?

Do you hunt? If so what type of game do you hunt? How often do you hunt a year?

Have you ever owned a gun dog before?

**Have you ever titled any dogs in field (hunting tests), conformation, or dog sports before?
If so what what tests or achievements?**

Have you interacted with a WHV before? Tell us about it.

Do you have children? If so, what are their ages?

Do you have other pets?

Have you ever had to give away a pet? If so, why?

Do you live in a single family house, a condo, or apartment?

Do you rent? If so, are WHV allowed within the pet policy?

Please list the name, address, & phone number of the vet you intend to use. If you have had previous pets, please list the vet you used in past (or present). Are you ok with us calling your vet?

Who will be the puppy's primary caregiver?

Have you ever owned a puppy before?

Where will the puppy be kept during the day and during the night?

Is anyone home during the day? If no, how many hours on average will the puppy be left alone?

If the puppy is outside, how will the puppy be confined? (leash, fence, run?)

Do you prefer a Male or Female Puppy?

Would you be willing to take a puppy of the opposite sex if your first choice isn't available?

Coats on the Wirehaired Vizslas vary. What coat preference would you prefer (less coat or more hairy) Know that it is not always possible to tell what the coat will develop into.

How soon are you interested in bringing a puppy home?

Do you plan to show your dog?

Do you plan to run your puppy in any hunt tests or competitions?

Do you have interest in or intend to breed your dog?

Are you willing to take this puppy to Puppy Classes and Obedience Classes? If none are available in your area, what is your plan for training and socialization?

Are you prepared to fulfill the exercise needs of this breeds; taking it for daily off leash walks?

Are you willing to wait to spay/neuter this puppy until after 18-24 months of age to allow for correct physical maturity and joint development? If this is new information for you please let us know and we will provide a few articles published by veterinarians explaining this requirement.
