ROLLER BLINDS

Day/Night
Dual Roller
Available

Roller blinds are a popular and practical window treatment that can add style and functionality to any room. They are made up of a roll of fabric that is contained in an ergonomic design, ensuring smooth operation at all times.

Roller blinds are available in a range of styles with the most popular being blackout, sunscreen or both. Blockout roller blinds are perfect for bedrooms and media rooms, as they provide great privacy and light control. Sunscreen roller blinds are ideal for living areas, as they allow natural light to filter through while still providing a level of privacy. Day/Night roller blinds combine both blinds on one bracket to give the best of both worlds.
