

ULTRASOUND WORKSHOP

for Medical Ozone

2026 – ISTANBUL

Ultrasound-Guided Procedures
with World Experts

February 14–15, 2026

Contact Us

+90 533 621 22 84
+90 532 161 20 53

What's Inside **THE WORKSHOP**

- **Spinal & Musculoskeletal Ultrasound**
- **Facial Ultrasound**
- **Medical Ozone & PRP, Exosomes**

For information:

www.regensonocircle.com

Organized by BT Tourism ORG

Scientific Support by MODER

Endorsed by WFOT (World Federation of Ozone Therapy)

*The official language of the program is English, and participation is restricted to medical doctors.
Participants will be granted a "Participation Document"*

Saturday, 14 Feb, 2026 | 09:00
REGISTRATION & WELCOME SPEECH

09:10 – 9:30

Ozone Therapy with Ultrasound Imaging
Tolga Ergönç

09:30 – 10:00

Ultrasonography of the cervical, thoracic, lumbar spine, Q&A
Amar Salti

10:00 – 10:30

Talking to the spine and understanding Scoliosis, Q&A
Aynur Metin Terzibaşıoğlu

BREAK

10:45 – 11:15

Ultrasonography of the adult hip and knee joint, Q&A
Felice Occhigrossi

11:15 – 11:45

Ultrasonography of the ankle and foot, Q&A
Abdallah Allam

11:45 – 12:15

Ultrasonography of the shoulder, Q&A
Tolga Ergönç

12:15 – 12:45

Ultrasonography of the elbow and wrist, Q&A
Felice Occhigrossi

LUNCH

13:30 – 17:45

Workshops

+90 532 161 20 53

Saturday, 14 Feb, 2026 | 13:30-17:45

WORKSHOPS

MSK Ultrasound Imaging

13:30 – 15:30 (4 stations)

Hip Joint imaging
Knee Joint imaging
Ankle & Foot imaging
Lumbosacral spine imaging

*Felice Occhigrossi
Tolga Ergönç
Abdallah Allam
Amar Salti*

BREAK

15:45 – 17:45 (4 stations)

Shoulder Joint imaging
Elbow Joint imaging
Wrist imaging
Cervical, thoracic spine imaging

*Aynur Metin Terzibaşioğlu
Abdallah Allam
Felice Occhigrossi
Amar Salti*

Facial Ultrasound Imaging

13:30 – 15:30 (2 stations)

Hand-eye coordination with ultrasound phantom study
Solovyev Vadim
Facial nerves, muscles, and vascular structures
Vsevolod Lykhin, Aynur Metin Terzibaşioğlu

Medical Ozone, PRP & Exosomes, IV Laser-1

13:30 – 15:30 (2 stations)

Medical Ozone *Lale Yeprem*
PRP & Exosomes, IV Laser *Michael Weber, Yasmine Zandi*

This workshop is designed to provide informational content and does not include clinical diagnosis, treatment, health service delivery, or medical interventions to any patients.

The workshop does not grant any certification or authorization. Participants will be granted a "Participation Document"

+90 532 161 20 53

Sunday, 15 Feb, 2026 | 09:00
REGISTRATION & WELCOME SPEECH

09:00 – 9:45

The Truth about Exosomes: current scientific knowledge and research perspectives
Michael Weber

09:45 – 10:30

The Truth about Exosomes: biologic functions
Yasmine Zandi

10:30 – 11:00

Intravenous Laser Therapy: Evidence based or not?
Michael Weber

11:00 – 11:30

What is Platelet-rich plasma (PRP): science or science fiction?
Amar Salti

11:30 – 12:00

Mechanisms of Ozone therapy and the regenerative effect
Lale Yeprem

BREAK

12:30 – 14:30

Workshops

Sunday, 15 Feb, 2026 | 12:30-14:30

WORKSHOPS

Facial Ultrasound Imaging-2

12:30 - 14:30 (2 stations)

Hand-eye coordination with ultrasound phantom study

Solovyev Vadim

Imaging of facial nerves, muscles, and vascular structures

Vsevolod Lykhin, Aynur Metin Terzibaşioğlu

Medical Ozone, PRP & Exosomes, IV Laser-2

12:30 - 14:30 (2 stations)

Medical Ozone

Lale Yeprem

PRP & Exosomes, IV Laser

Michael Weber, Yasmine Zandi

MSK Ultrasound Imaging

12:30 - 14:30 (4 stations)

Abdominal area

Felice Occhigrossi

(TAP / Iliohypogastric/ilioinguinal N.)

PENG/IPACK/Obturator N.

Abdallah Allam

Lumbar and Sacral ESP/LPVB/QLB

Amar Salti

Thoracic ESP/TPVB/Intercostal N.

Tolga Ergönç

Medical Ozone & PRP, Exosomes

2026 – ISTANBUL

Ultrasound Workshop
for Medical Ozone

February 14–15, 2026

Contact Us

+90 533 621 22 84
+90 532 161 20 53

What's Inside **THE WORKSHOP**

- **Basics of medical ozone and regenerative medicine**
- **PRP concepts and key literature**
- **Exosomes: current understanding**
- **Safety, risks, and best-practice awareness**
- **Overview of recent evidence and research trends**

For information:

www.regensonocircle.com

Organized by BT Tourism ORG

Scientific Support by MODER

Endorsed by WFOT (World Federation of Ozone Therapy)

*The official language of the program is English, and participation is restricted to medical doctors.
Participants will be granted a "Participation Document"*

Spinal & Musculoskeletal **Ultrasound**

2026 – ISTANBUL

Ultrasound Workshop
for Medical Ozone

February 14–15, 2026

Contact Us

+90 533 621 22 84
+90 532 161 20 53

What's Inside **THE WORKSHOP**

- Ultrasound-based review of major musculoskeletal joint and spinal anatomy
- Core principles of ultrasound image acquisition and interpretation
- Anatomical orientation and spatial awareness using ultrasound
- Safety concepts and risk awareness discussed from an educational perspective
