WORK EXPERIENCE

SR. DIGITAL DESIGNER

2017-2025

Red Letter Communications

As a Senior Digital Designer at Red Letter Communications, I lead the creation and execution of digital design projects across web, email, and social platforms. I collaborate closely with cross-functional teams to bring brand stories to life through engaging visuals, responsive layouts, and cohesive user experiences. My role involves guiding creative direction, maintaining brand consistency, and ensuring every digital touchpoint reflects strategic design thinking and high visual impact.
