**COMMUNITY BASED
CONSULTING**

Community Based Consulting

Community Based Consulting supports mission-driven organizations in advancing belonging, integrity, and community-rooted transformation. We provide grant strategy, project leadership, land use guidance, and organizational development—centered on rural and people-powered solutions. Grounded in care and collaboration, we help bring visionary ideas to life.

Services & Solutions

- **Grants & Fund Development: Strategy, writing, budgeting, compliance, and stewardship.**
- **Project & Program Leadership: Capital and community project oversight, implementation, and evaluation.**
- **Land Use & Regulatory Support: CUPs, zoning, permitting, and agency coordination**
- **Organizational Growth: Capacity building, systems design, and policy development with a DEI lens.**
- **Community Impact Design: Programs advancing equity, economic opportunity, and human rights in rural and urban settings.**

PAST PERFORMANCE

- Powell Butte, OR: Managing grants, project oversight, and permitting for 8,000 sq ft childcare center (under construction).
- Bend, OR: Leading grant, donor, and land use strategy for shovel-ready turf field expansion.
- La Pine, OR: Driving planning, fundraising, and grants for new community kitchen.
- La Pine Parks: Guiding master plan and community outreach for recreation district.
- Habitat Project (La Pine): Coordinating grants, city liaison, and capacity building (build starts May 2026).
- Ghana: Led ops for anti-trafficking initiative—reduced child exploitation risk by 50%.
- Rural Oregon: Designed programs scaling food, case management, and jobs for 20K+ residents.
